WHAT IS BIG?

My name is Adam.
I am not very big.

I am not as big as a lynx.
A lynx is bigger than I am.

I am not as big as a sheep.
A sheep is bigger than I am.

I am not as big as a caribou.
A caribou is bigger than I am.

I am not as big as a brown bear.
A brown bear is bigger than I am.

I am not as big as a moose.
A moose is the biggest thing I know.

My name is Adam.
I am not very big.

A lynx is bigger than I am.
A sheep is bigger than I am.
A caribou is bigger than I am.
A brown bear is bigger than I am.
A moose is bigger than I am.

But.....

I am bigger than a dog.

A dog is bigger than a beaver.
I am bigger than a beaver.

A beaver is bigger than a muskrat.
I am bigger than a muskrat.

A muskrat is bigger than a weasel.
I am bigger than a weasel.

A weasel is bigger than a mosquito.
A mosquito is the smallest thing I know.
