[info from Bob Banghart & Laura Lucas on 3/1/04]

There might have been others, but Bob & Laura were fuzzy on the recall. Jeff Brown said he was NOT there. Others that Bob and Laura thought could maybe have been performers were?

Joe Malonowski?
Marlien Lesh? (not sure of first name spelling)
Jane Wade?
The Hand Bell Ringers?

Or, maybe things have blurred between years, and these folks weren't AFF#1 performers. Bob said, maybe Dale Wygant has some additional ideas and recollections. (Does that mean Dale was there?)
