Emp. 11/5/1928/3 V.G. a quarter page trap leasing bill that Wm. L. Paul took back to Wash. D.C. and received \$6000. for from three canneries.
- 12/19/1928 New Bureau of Fisheries regulations: Some traps eliminated. Face of floating trap not to exceed 100' depth and lead limited so that face of trap not over 900' from shore. Also limit size of seine boats..
- 4/26/1929/5 Canadians want same rights as Americans--- Fish traps to stay unless abolished in Alaska. Admit that perhaps fish might increase.
- 6/27/1929/8 Fish traps will be closed in fall fishing. under the new regulations.
- 4/30/1932/8 97 of the 157 fish traps closed for the 1932 season are in S.E. Alaska.
- 12/31/1932/8 Henry O'Malley closes 53 traps in S.E. Alaska two of which are owned locally---one by Dr. L.P. Dawes and the other by Geo Franklin.
- 4/1/1933/8 Judge Kehoe introduces measure which would abolish fish traps---in Territorial House.

- 6/28/1933/6 Arsonists, destroy Pyramid Pkg. Co. traps, cut web, leads, etc. Freeburn asks U.S. Marshalls for help.
- 8/8/1933/5 C.G. to aid Nakat Pkg. Co. cannery at Hidden Inlet. One of their traps has been cut loose and damaged by vandals---presumably B.C. fishermen.
- 1/6/1934 Frank T. Bell orders 93 traps permanently closed in Alaska----60 of them in S.E. Alaska. --all listed.
- 5/1/1934 VG Jim Davis and J.E. Berg ask a court injunction against Lewis Trap Co. and Wm. L. Paul. It seems that a trap license for Davis' East Pt. trap site had been issued to both parties, but Davis put in the trap. Wm. Paul towed a log over the lead and anchored both ends so the trap wouldn't catch fish. VG squabble.
- 11/8/1934 Wash. State votes Two to one to abolish traps.
- 1/21/1935 30 fish traps eliminated---only 370 left in Alaska. Had over 800 a few years ago!
- 3/2/1935 Fish trap Tax and Herring bill killed!
- 10/15/1935 United Fishermen of Alaska urge abolition of fish traps in meeting at Seward.
- 12/5/1935 J. Chamber of Commerce against abolition of fish traps. VG article.
