I suggest that with the latter 3 articles, on Yoznesenskii, that you place a xerox of the translation of the article on him by Blomkvist, which appeared in the OREGON HISTORICAL QUARTERLY several years ago, and of the article which I had in the AK. JOURNAL, Winter 1975, v. 5:1, or a notation about them, as the five complement each other.

Folder 8 Aleksandr Markov, "Russkie na Vostochnom okeane" (Russians on the Eastern Ocean"), 1849. Excerpt (English translation): "The Russian Possessions in America" and "The Way of Life of the Savages." (pp 44-102)
