**Guide to Collection**

Gastineau Channel Historical Society, Collector

Documents Pertaining to Mines in the Juneau Area, ca. 1903-1959 (bulk 1912-1915)

MS 183

32 items

Processed By: Gladi Kulp  
& L. Spear  
January 2000

**Acquisition:** The collection was loaned for duplication by Willette Janes of the Gastineau Historical Society.

**Access:** The collection is unrestricted.

**Copyright:** Request for permission to publish or reproduce material from the collection should be discussed with the librarian.

**Processing:** Documents were numbered and placed in folders. An inventory is available.

### Scope and Contents Note

The collection includes contracts, agreements, permits, correspondence, and certificates from the Alaska Juneau Gold Mining Co., Hirst-Chichagoff Mining Co., the Perseverance Mine, and the Pacific Coast Steamship Co. Some of the original documents are housed with the Gastineau Channel Historical Society. Although the documents are in the 1903-1959 time period, the bulk of the collection is from 1912-1915.
