Guide to Collection

United States. Army Corps of Engineers

**U.S. Army Corps of Engineers photograph collection :
Alaska earthquake damage, March 27, 1964, Anchorage and other communities**

PCA 100

.5 linear feet
268 photographs, b&w

Processed by : Staff
Revised: 11/18/2004

ACQUISITION: Lieutenant Colonel Lyman L. Woodman, Public Affairs Officer of the U.S. Army Corp of Engineers Alaska District in Anchorage donated these duplicate views from their collection to the Historical Collections, August 5, 1977 (Acc. # 1980-004).

ACCESS: The photographs may be viewed. However they may not be photocopied.

COPYRIGHT: Request for permission to publish or reproduce material from the collection should be discussed with the Librarian.

PROCESSING: The 8x10 images are sleeved in Mylar. The 16x20 images are stored separately in the PCA oversize collection.

Scope and Content

The views in this collection primarily show damage from the 1964 Earthquake and general southwest Alaska community views. Aerial photographs of harbors, etc., are included.
