BIO or HISTORICAL NOTE

In 1912 the Alaska Gold Mines Co. acquired the mineral lands in the Sheep and Gold Creek Basins and the mill site at the mouth of Sheep Creek from the Alaska Perseverance Mining Co. The Alaska Gastineau Mining Co. operated the Alaska Gold Mines Co. The development which began in 1912 was completed in 1915. Mr. A.K. McDaniel, a consulting mining engineer, worked for Alaska Gastineau Mining Company in Juneau and Thane in 1912.
