831 contact prints
181 slides

ACQUISITION: These views were donated by the Wrangell Historical Society on February 17, 1983, for use as an information file. Reproductions are available from the Wrangell Museum. The images comprised the major portion of the photograph collection belonging to the Wrangell Historical Society. (Acc. # 1983-005.)

ACCESS: The photos may be viewed. However, because of their fragile condition, they may not be photocopied.

COPYRIGHT: Request for permission to publish or reproduce material from the collection should be discussed with the Librarian.

PROCESSING: The contact prints and slides are sleeved in Mylar. An index to all of the images is available in the collection, created by the Wrangell Historical Society.
