Guide to Collection

National Anthropological Archives Photograph Collection, ca. 1895-1910

PCA 237-2

Northwest Coast Indian photographs from
the William H. Dall collection and other collections
in the National Anthropological Archives,
Smithsonian Institution, ca. 1895-1910.

INTRODUCTION

These photocopies of photographs in the National Anthropological Archives of the Smithsonian Institution were collected by Joaquin Estus in 1981 while participating in an archival training program at the archives.

The collection represents photographs collected by William H. Dall, Edward H. Harriman and John P. Harrington as well as other Northwest Coast Indian views located in archives.

To order copies of these views send requests to:

National Anthropological Archives
National Museum of American History
4210 Silver Hill Road
Suitland, MD 20746.
301-238-1300 (fax) 301-238-2883
http://www.nmnh.si.edu/naa/image_order.pdf

When ordering, list the negative number of the photograph. 1981 prices were:

8X10 print - \$5.00

35 mm slides - \$5.00

Pre-payment is required, make checks payable to the Smithsonian Institution
