Southeast Alaska Canneries and Mining Views, ca. 1910-1915

PCA 311

Canneries and mining operations from Juneau to Hoonah

INTRODUCTION:

This collection includes views by Case and Draper, Winter and Pond, Ordway and Trevor Davis. Most of the images contain captions about the canneries and mines in southeast Alaska. The images were donated to the Alaska Historical Library by Mrs. Frances Garron in June 1987.
