SCOPE AND CONTENTS NOTE

Photographic prints in a small leather bound photograph album and 34 separate black and white photographs of Wrangell, Ketchikan, Sitka and Cordova. The separate photos are mostly of the Wrangell area. The large river may be the Stikine River. Most of the photographs are undated, but two are dated 1930 and 1939. There are several commercial photographs, but the photographer of the personal photos is unknown. The 8x10 photograph has been added to the Core File: Wrangell-Early-52.
