february24and25an d26and27	Jury today and have begun on
dZoandZ/	jury cases, - one tried today – Am somewhat annoyed at
	the fact (though I do not know that
	it is surprising) that Stevens and
	Marshal Richards are sending
	out everything possible to prevent
	my assignment to this district.
	They both have reason to fear my
	presence here – and are using the
	opinions in the Wild Goose Min Co
	v. Heman, the California Fraction
	opinion & the fact that I went to
	Cape Prince of Wales with Louis
	Lane as evidence that I am under
	the influence of that faction.
	Delivered address last night
	(Monday) before large audience in
	Standard Theatre on "Kingegan:
	A Study of the Eskimo".
	Jury case today – and finished
	Admiralty case Spaulding vs. A
	C. Co. tonight. Judge & Mrs Reed,
	Mr. & Mrs. Rinehart & Hannum
	to dinner with tonight
	[Wed. Feb. 25, 1902]
	There has been much talk this week about the high handed proceed
	=ings conducted by Fink and Daly
	at Council City in throwing one Lena[?]
	Walton & French employes off a
	mining claim by force & bribery.
	There has been much suppressed
	excitement over it, and many
	dark and mysterious hints of
	controling the courts and juries.
	Jury trial each day – one tried
	and ended today.
	[Thursday 27]
	Jury trial today. Getting some
	letters ready to go out to Heilig
	& sending my paper on the
	Eskimo to C. A. Snowden with
	request to have it published

Diary 4, 1902	Two jury trials set for today
february28andmarc	dismissed by parties. Affidavits
h01and02and03	in Ophir creek cases against Fink
	& Daly very true – but still bad
	enough on matter of force. They
	do not contain any assertions against

	me as was generally reported. I
	had McGinn prepared and intended
	to go after them hard – but there is
	so little to it! This is the meanest
	town for small talk I ever knew.
	Letter to Debbie & Snowden today
	*
	Also to Heilig.
	[Sat. March 1]
	Hell of a time in the case of Wild Goose Co.
	v. Walton. I instructed Dist. Atty.
	to prosecute Fink & Daly for contempt
	& gave Bruner such a lecture that
	he won't forget it for many aday-
	They brought out a scandalous
	remark by Fink that the W. G. Co.
	had money to control the court – jury
	& everybody else, - & on top of it Daly
	& Fink took forcible possession of
	the mine. I ordered it restored &c
	hard at work trying cases – hope
	this slap at Scandal will at least
	make the lawyers more careful.
	[Sun. March 2, 1902]
	McGinn, Dist. Atty. left last night or
	early this morning for Council city to
	get testimony in contempt cases vs.
	Fink & Daly.
	Worked all day on Allen v Myers
	from Rampart. Invited to take
	dinner with Capt. Hanson & friends
	but declined – suit pending before me
	& there is too much small talk
	by long tongued narrow minded men.
	They don't seem to have anything else
	to do in the winter season –
	[Monday 3]
	Outside mail in this morning
	Telegrams from Heilig saying
	that Howard died on Jany 1st —
	Oh my son, my son. Would to God
	I had died for them[?] and I would
	as willingly have done it for the

	Proofs presented to show that
	the Wild Goose Co had returned the
	possession of #19 Ophir Creek to

	those from whom it was forcibly taken
	by Fink & Daly – I made them pay
	all costs & return every thing exactly
	as it was when taken.

	[Sat. March 22, 1902]
	Call of docket today – Am much
	interested in an important case involving
	constitutionality of license laws –
	which will be appealed. I am studying
	it to prepare a fair opinion.
	A few days ago Capt. Hanson started
	a talk in favor of my candidacy for delegate
	to Congress if the Bill passes to permit it – the
	movement seems to be growing and many
	persons kindly urge it upon me – I fail
	to see the advantage of surrendering the
	judgeship for it: although it has an
	alluring look.
	[Sunday 23]
	Slept till noon – prepared my charge
	to the Grand Jury which meets tomorrow
	called on Sullivan, who is sick, and
	had long talk with him about the

	[Wed. March 26, 1902]
	Trial of Wild Goose Co v. French
	being fought bitterly – I am,
	of course, embarrassed very much
	by Daly & Finks foolishness & talk
	at Council & find it very hard to
	be fair and unprejudiced in the
	case.
	Indictments returned against
	half a dozen parties by Grand Jury.
	[Thursday]
	Trial Wild Goose Co v. French.
	Was surprised to receive a call
	from Mrs Magnus Kjelsberg at

	preliminary statement told me that
	she & Magnus were not married

	Frank H. Richards came there yesterday and asked
	if he would issue warrant for Eames – witness against
	Richards – was told yes – but that case would be
	tried fairly upon the merits. Richards asked if he

	would only decide case on the law & evidence &c.
	Reed was & is mad – it was a deliberate attempt
	to get him to hold Eames whether justified or
	not to destroy force of his testimony. No
	warrant asked for on that proposition –
