**The Spine** is located at the front of the third floor of the parking garage. To get there you must go down the stairs or elevator to the first floor of the building , through the library, out to the right past Starbucks and to the elevator or stairs before you get to the glass doors that go to the parking garage and lot. Go up these stairs or elevator and turn right a few steps and you will see the Spine.

**The Union** is the UAA Student Union. Lunches Thursday and Friday will be there. There is a series of indoor walkways that connect the Library and the Union. These involve changing floors by stairs or elevators. If you would have trouble with this, please let us know so that we can give you a ride. For walkers there will be signs and people to show the way.

**Bus or car transportation** will be provided to off site events.
