

SLED † Statewide Library Electronic Doorway

SLED provides information for, about, and by Alaskans. It represents a variety of statewide programs and initiatives that are directed to libraries, schools, and the citizens of Alaska. Subjects of all kinds are covered and links for all things Alaskan are provided and many of the Library's outreach programs are highlighted on SLED.

Live Homework Help gets Alaskan students the assistance they need to complete schoolwork. Whether they are in downtown Anchorage or in an isolated logging camp in the Southeast, Live Homework Help reaches all parts of the State.

Browse images from the Alaska State Historical Library online with Alaska's Digital Archive. Images from Alaska's exciting history are available for viewing according to subject and high quality duplicates can be ordered from the site.

SLED provides links for hundreds of Alaskan websites. Law, health, Native organizations, tourism, employment... they are all covered. Children, teens, and adults will find a wealth of information about our state.
