Can you import a word document?

19:44 to: *sandra turner*
could not find the screen wizard

19:51 to: *Julie*

Can you only select one option or the other?

21:10 to: *Terri*

What about Word table to Excel- or Excel to Word table?

32:06 to: *tjumbinetti 1*

average is under more functions/statistical

32:44 to: *Kim*

where would it be for 2003 version????

35:33 to: *LAM*

=ave(a1:a55)

35:39 to: *Kim*

got it thank you!!!

36:43 to: *Gin*

I tried it in 2010 and have to write out =average(...)

38:31 to: *Julie*

Very cool!

42:53 to: *Dawn-Olene Hill*

I can't see column B. I'm just seeing the pie chart

43:00 to: *Kim*

I cannot see your mouse moving

43:02 to: *Aldwyn*

Same here

43:02 to: *Elaine Price*

All I see is the pie chart

43:04 to: *Sylvia Martinez*

can i get to screen

43:08 to: *Virginia*

My screen is still ..

43:09 to: *Sylvia Martinez*

thanx

43:13 to: *Aldwyn*

Thx

43:14 to: *Gin*
:)

43:35 to: *Kim*
start over please

44:06 to: *Kim*
we are good

48:14 to: *Sylvia Martinez*
cool

Can you choose the cities by holding down your CTL key, so if there was a city in the middle that you don't want you could skip it?

48:43 to: *Sylvia Martinez*
sort by pop and compair like

49:17 to: *Dawn-Olene Hill*
had did you get to add data labels

50:14 to: *Dawn-Olene Hill*
Yes, thank you

54:39 to: *sandra turner*
so we can custom data labels

54:41 to: *Dawn-Olene Hill*
How did the chart name appear

56:53 to: *sandra turner*
ok thanks

56:56 to: *Dawn-Olene Hill*
My pie chart doesn't have a name, so how would I add it

58:19 to: *Dawn-Olene Hill*
yes, thank you

1:00:21 to: *Gin*
Thank you so much!

1:02:44 to: *Terri*
How do you add more lines of text in the same cell, like a short list of names?

1:02:49 to: *margaret*
Thank you.

1:02:49 to: *Sylvia Martinez*
thank you

1:02:54 to: *Dawn-Olene Hill*
