I. Federal Fiscal Year or Years Covered by this State Plan and Application

This Plan covers Federal Fiscal Year 2013 funds only. The eligible entity's grant agreement will be effective from April 1, 2013 through March 31, 2014.

II. Letter of Transmittal

(Please see page 1.)

III. Executive Summary

A. CSBG State Legislation

There is no state statute governing the Community Services Block Grant program in Alaska.

B. Designation of Lead State Agency to Administer the CSBG Program.

In the State of Alaska the Community Services Block Grant Program is administered by the Department of Commerce, Community, and Economic Development (hereinafter referred to as "Department") within the Division of Community and Regional Affairs.

Governor Sean Parnell, chief executive officer of the State, designated to the Department of Commerce, Community, and Economic Development, the responsibility to administer the Community Services Block Grant Program in accordance with the requirements of Section 676(a). (See attached Designation Letter on page 3.)

C. Legislative Public Hearing Requirements

1. Public Hearing: Held May 16, 2012 at 9:00 A.M.

- (a) Statewide advertisements in major newspapers including Anchorage Daily News; Fairbanks Daily News Miner; and the Juneau Empire.
- (b) Notice on the internet in the State's Online Public Notice System.
- (c) The draft State Plan was posted on the Departments website.

2. Legislative Hearing: The last Legislative Hearing was held on March 30, 2010. The next legislative hearing will be held in 2013.

3. Public Inspection of State Plan: Copies of the draft State Plan were mailed to the only eligible applicant, Rural Alaska Community Action Program, Incorporated (RurAL CAP), prior to the legislative public hearing and posted on the Departments website. Notices/ads indicated copies were available upon request. In addition, copies were made available for public inspection at the legislative public hearing.

Governor Sean Parnell
STATE OF ALASKA

April 13, 2012

Ms. Jeannie Chaffin
Director
Office of Community Services
370 L'Enfant Promenade, SW
Washington, DC 20447

Dear Ms. Chaffin,

As Governor and Chief Executive Officer of the State of Alaska, I hereby designate Susan Bell, Commissioner of the Department of Commerce, Community, and Economic Development (DCCED), as having responsibility to administer the federal Community Services Block Grant (CSBG) program, including the authority to execute grant documents.

I request that you accept the signature of Commissioner Bell on all required certifications and assurances related to the CSBG program. Commissioner Bell has the authority to designate signatory authority to other department staff as she deems appropriate.

Please send all documents associated with the CSBG program to:

Ms. Janet Davis
Grants Administrator III
Division of Community and Regional Affairs
Department of Commerce, Community, and Economic Development
State of Alaska
211 Cushman Street
Fairbanks, AK 99701

Best regards,

A handwritten signature in blue ink, appearing to read "Sean Parnell".

Sean Parnell
Governor

cc: The Honorable Susan Bell, Commissioner, Department of Commerce, Community, and Economic Development
Scott Ruby, Director, Division of Community and Regional Affairs, Department of Commerce, Community, and Economic Development
Jill Davis, Grants Administration Manager, Department of Commerce, Community, and Economic Development
Janet Davis, Grants Administrator III, Department of Commerce, Community, and Economic Development

IV. STATEMENT OF FEDERAL AND CSBG ASSURANCES:

See Appendix A

Programmatic Assurances
Administrative Assurances
Other Administrative Certifications

V. THE NARRATIVE STATE PLAN

A. Administrative Structure

(1) State Administrative Agency

(a) Mission and Responsibilities: The mission of the Department is “Promoting a healthy economy and strong communities”. The Department and the Division of Community and Regional Affairs in particular, are by their very nature and constitutional and statutory mandates, a community oriented agency. The need for a presence and participation at the local level dictates a decentralized organization which is sensitive to local needs and versatile enough to address the broad spectrum of issues and concerns which affect different types of communities. The Department’s mission inherently includes a strong advocacy role in addition to serving as a bridge between the local community interests and the interests of the state and federal governments. Within the scope of the Department’s mission, the Division of Community and Regional Affairs promotes strong communities and healthy economies by providing information, technical and financial assistance, and other capacity building resources.

(b) Goals and Objectives: The goal of the Department’s Community Services Block Grant Program is to reduce and prevent the spread of poverty through community based educational activities which lead to a greater degree of self-sufficiency on the part of low-income people. The activities identified in the attached work plan (Appendix B) provide a holistic approach to dealing with the problems of Alaska’s poor.

The economic and cultural disparities among Alaskan communities are often far greater than between communities in other states. Many smaller communities have barely established cash economies. There are fundamental unmet needs for capacity building in local government skills. The Department serves as a bridge between the past and future local economies. The Department serves as a catalyst for change, working to ensure that state and federal funding for infrastructure projects is maintained so that community and economic development opportunities may be promoted which lead to greater self-sufficiency for low-income people.

The Department, within the Division of Community and Regional Affairs, also administers the Community Development Block Grant Program; the NPR-A Grant Program; the state Designated Legislative Grant Program; and various other state and federal grant programs. The goals for these programs include providing funding for infrastructure development and capital projects which support future economic development activities in rural areas of the state.

One of the Departments goals is to maximize the linkages among departmental programs to address community development needs. In addressing its desire to help individuals, families, and communities help themselves, the Department is focusing on three major long term goals: stronger families; stronger local governments; and stronger local economies. The activities which are supported with Community Services Block Grant funds through RurAL CAP offer an opportunity to provide services which have a measurable and potentially major impact on the causes of poverty in Alaska.

(2) Eligible Entities

- (a) There is only one Community Action Agency in the State of Alaska that is eligible to receive Community Services Block Grant Funds. The agency is Rural Alaska Community Action Program, Incorporated. RurAL CAP is a statewide, private non-profit with a 501(c)(3) tax-exempt status.
- (b) RurAL CAP will serve the entire State of Alaska with the CSBG program. Although RurAL CAP will provide statewide services, the focus of CSBG activities will be on rural areas of the state.

(3) Distribution and Allocation of Funds

- (a) Planned Distribution of Funds for Current Fiscal Year: Ninety-five percent (95%) of the CSBG funds received will be made available to RurAL CAP for CSBG activities. The remaining five percent (5%) will be used for state administrative costs.

B. Description of Criteria and Distribution Formula

Distribution Formula: Since RurAL CAP is the only eligible CAA in the state of Alaska, ninety-five percent (95%) of the CSBG funds received will be made available to RurAL CAP for CSBG activities benefiting the low income and providing education, information, and advocacy aimed at supporting the strengths of families and communities. The remaining five percent (5%) will be used by the Department for state administrative costs.

Funding Limitations: No CSBG funds will be used for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low cost residential weatherization or other energy related home repairs), of any building or other facility.

No CSBG funds will be used for partisan or nonpartisan political activity or any political activity associated with a candidate or contending faction or group, in an election for public or party office. No CSBG funds will be used for any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any election. No voter registration activity will be supported with CSBG funds.

Procedures for Use of Carry-Over Balances: In the case of carry-over balances at the end of the fiscal year or program year, the Department will make the carry over funds available to RurAL CAP for use the following program year. RurAL CAP will be requested to submit a request for use of the carry over funds if the proposed use significantly differs from that for which it was originally approved.

- C. Description of Distribution and Use of Restricted Funds:** As previously stated, the Department will make ninety-five percent (95%) of the CSBG funds received available to RurAL CAP for CSBG activities benefiting the low income and providing education, information, and advocacy aimed at supporting the strengths of families and communities. The remaining five percent (5%) will be used by the Department for state administrative costs. There have been no funds recaptured or redistributed.

- D. Description of Distribution and Use of Discretionary Funds:** The Department has no discretionary funds to distribute.

- E. Description of use of State Administrative Funds:** The Department shall utilize not more than \$55,000 or five percent (5%) of the amount allocated under the CSBG program (whichever is greater) for state administrative costs.

State Administrative funds will be utilized to support the costs associated with administering the CSBG program including but not limited to partial payment of staff salaries and benefits of those who work with the program; a portion of the costs for services for the Block Grant section which covers postage, telephones, data processing costs, printing costs, advertising costs, etc.; a portion of the costs of supplies associated with the program; travel costs associated with the program including CSBG staff participation and training at national conferences (sponsored by NASCSP, CAPLAW, etc.) and other relevant seminars and

meetings; and program monitoring costs. All administrative costs are documented and a separate accounting code established to record expenditures charged to the program.

A State Charity Tax Credit Program will not be implemented at this time.

F. State Community Services Program Implementation

Program Overview:

(a) The Service Delivery System.

RurAL CAP is the single Community Action Agency in Alaska. Its mission is to empower low-income Alaskans through advocacy, education, affordable housing and direct services that respect unique values and cultures. The goal of the statewide private non-profit is to promote maximum participation by rural and low income Alaskans in overcoming all forms of poverty. The agency encourages the efforts of low-income people attempting to break the cycle of dependency and gain control of the changes affecting their lives to become self-sufficient.

Because a wide variety of issues disproportionately affect lower income Alaskans, approaches and services equally diverse are offered. Support is provided to individuals and families to make the best use of limited financial resources. These programs include home weatherization, energy burden reductions, access to affordable housing initiatives, affordable childcare for working parents, and connections to services from other organizations such as medical benefits, food stamps and legal aid. RurAL CAP also helps ensure residents in economically suppressed rural areas have access to educational and capacity building opportunities. To do this, early learning programs are provided in remote rural Alaska along with a variety of safety, health and wellness, workforce, educational, energy cost reductions, and family development training that also help strengthen existing programs and respond to identified community priorities. Opportunities are provided for youth engagement in community activities and in educational improvements. Assistance is also provided to individuals battling social and behavioral issues. These programs include sobriety assistance, tobacco cessation, wellness, suicide prevention, environmental awareness, community pride, and life skills.

Direct services are organized into four divisions. Supportive Housing aids chronic homeless alcoholics and runs an affordable housing program for low-income individuals. Community Development provides resources, trainings and service opportunities to low-income Alaskans in order to promote wellness, improve environmental conditions, reduce energy costs and build capacity. Planning and Construction assists rural communities and low-income people by increasing affordable housing opportunities, preserving and improving existing housing, and facilitating community-based planning. Child Development Division provides services to prenatal women, children and families through a variety of programs designed to facilitate parent involvement and community collaboration by promoting the parent-child relationship, positive socio-emotional development, healthy practices, cultural richness and school readiness. These include Head Start, Early Head Start, Parents as Teachers and affordable childcare for low-income working families.

During Federal Fiscal Year 2013 RurAL CAP proposes to use Community Services Block Grant funds in the following major component areas listed below. Detailed work plans, narratives, and budgets for each of these component areas are provided in Appendix B.

The **Administrative Services** component ultimately increases the agency's capacity to achieve results by broadening the resource base. It does this by providing agency-wide fund development, public information and research services, database management of partners and potential supporters, as well as agency planning, opportunities for staff development, and program evaluation. Funds are used to build the capacity of the agency to better develop, manage and evaluate the direct services which lead to measurable results of program customers moving out of poverty into self-sufficiency.

The **Supportive Housing** (formerly Anchorage Services Division) component provides emergency services (outreach, access to detox, transitional housing in a 25-bed facility, intensive case management, employment assistance, and public education) to the chronic, public inebriate, homeless population of Anchorage. In addition, this Division provides Affordable Housing to low-income people in Anchorage

and graduates of transitional housing programs, such as Homeward Bound. In December 2011, it opened the first Housing First facility in Anchorage that houses 46 of the community's most vulnerable homeless chronic alcoholics. Its success is based on collaborations with the network of housing and alcohol treatment service providers and building and maintaining strong partnerships and linkages.

Within the **Child Development Division** are the rural Head Start and Early Head Start programs, the Child Development Center, and the Parents as Teachers Program. The Child Development Division operates under strict federal and state regulations and guidelines which require a well trained staff and close monitoring of its programs. Their outcomes for improvements in child health, school readiness, and parenting and family functioning are achieved through ongoing higher education requirements for the classroom and childcare staff, through capacity building with parents and families, and participation on local Parent Committees and Councils and Advisory Boards.

Within the **Community Development Division** are five national service programs (RAVEN AmeriCorps, BIRCH AmeriCorps, VISTA, Middle School Partnership Project, and Students-In-Service AmeriCorps), wellness programs, the Rural Providers' Conference (see the attached 2011 RPC Summary or at www.ruralcap.com), environmental action, and energy cost reductions. Cooperative relationships are established with regional and village organizations, rural and tribal councils and other community-based organizations to place the locally hired Members who, through their host organizations, identify the community's needs to their projects. Opportunities for youth involvement are increased, and the overall well-being of the communities is improved by the projects identified. Additionally, the sustainability capacity is maintained beyond the program year for these local hires that learn new skills through in-depth training and service.

The **Planning and Construction Division** (formerly Rural Housing and Planning Division) provides a full-range of construction, rehabilitation and planning services. Funds in FY 2013 will be used to expand the range of technical assistance and direct services provided to rural housing entities to increase their capacity to conduct local needs assessment, planning, rehabilitation and new construction for their own low-income housing customers. The division also maintains oversight of RurAL CAP's Weatherization, Fee-For-Service Housing Rehabilitation, Self-Help Housing, and Community Planning programs. It is able to do this by brokering partnerships among various agencies and villages to maximize leveraging of funding and through these collaborations, maintains an ongoing collection of needs assessment information to improve its quality and accuracy.

The **Public Policy and Advocacy** component's focus is on expanding the number of organizations the agency works with for the purpose of increasing the number and amount of resources and opportunities for individuals, families, and communities. It provides opportunities for target area Board members to share information on the status of their constituents along with opportunities to learn about best practices, provides public information and education on issues which affect low-income people in Alaska directly related to the use of traditional, sustainable natural resources through hunting, fishing and gathering as well as issues affecting tribal governments and the ability of remote rural communities to become more self-sufficient. This component provides opportunities for low-income people to advocate on their own behalf. It also includes the production of the *Village Voices* newsletter (See samples of 2011 issues at www.ruralcap.com). It is through these efforts to create an understanding by others of the situations in Alaska's communities that RurAL CAP increases its opportunities for low-income people.

RurAL CAP uses a comprehensive Strategic Planning process involving input from a broad spectrum of stakeholders including community members, board members, agency staff, funders, partners, colleagues, collaborators, clients, service recipients and customers supported by current data to determine its direction and annual work plans and goals. The three year plan is updated and revised regularly to reflect new opportunities and directions.

RurAL CAP believes in the value of empowering low-income Alaskans and in finding lasting solutions for meeting community needs. Therefore a large part of the strategy for delivering services includes local hire in every division. For example, positions are hired from within communities served for teaching jobs, energy crews, bus drivers, cooks, service positions, program outreach and construction work. In addition VISTA volunteers and AmeriCorps members are recruited from within the communities they will serve. This allows the people served to participate in income, education and training opportunities

provided by our programs. As a result of working directly with community members, programs and services are keenly aligned with community needs. In addition, the capacity built through program work stays in the community after projects are complete.

RurAL CAP employed more than 1,000 people during 2011. Below is a map including how payroll is distributed across the non-profit areas within the 12 Alaska Native Claims Settlement Act regional boundaries.

Service Areas

RurAL CAP provides services in nearly 90 communities across Alaska. For some services such as those involving AmeriCorps or VISTA programs, the communities involved may change from year to year. For other programs such as those involving Head Start, Early Head Start and Parents As Teachers, continuity is maintained from year to year regarding communities served. The communities for planned services by RurAL CAP during 2012 are shown on the map on the following page. The distribution of communities across Alaska is representative of the communities to be served in 2013.

Communities With Planned Services in 2012

Communities with Board Representation in 2012:

Akiak	Chevak	Kwigillingok
Akutan	Fairbanks	Nome
Ambler	Fort Yukon	Ouzinkie
Anchorage	Glennallen	South Naknek
Barrow	Juneau	Valdez

Communities Served by Community Development in 2012:

Ambler	Healy	Koliganek	Port Alexander
Anchorage	Hooper Bay	Kotzebue	Port Graham
Brevig Mission	Hope	Kwigillingok	Port Protection
Buckland	Hughes	Manokotak	Selawik
Chevak	Huslia	New Stuyahok	Shungnak
Cooper Landing	Kake	Noatak	Sitka
Copper Center	Kalskag	Nome	Thorne Bay
Craig	Kasigluk	Noorvik	Togiak
Deering	Kiana	North Pole	Toksook Bay
Dillingham	Kivalina	Northway	Wrangell
Elim	Klawock	Old Harbor	Yakutat
Fairbanks	Klukwan	Petersburg	
Glennallen	Kobuk	Pilot Station	

Communities Served by Planning and Construction in 2012:

Anchorage	Kenai	Selawik
Fairbanks	Kotzebue	Shaktoolik
Fort Yukon	Lower Kalskag	Toksook Bay
Goodnews Bay	Nome	
Juneau	Scammon Bay	

Communities Served by Child Development in 2012:

Akiak	Haines	Kwethluk	St. Mary's
Alakanuk	Homer	Marshall	Stebbins
Anchorage	Hooper Bay	Mountain Village	Sterling
Chevak	Hydaburg	Napaskiak	Tanacross
Chitina	Kake	Nunapitchuk	Tok
Copper Center	Kenny Lake	Pilot Station	Toksook Bay
Emmonak	Ketchikan	Savoonga	
Gakona	Kluti-kaah	Selawik	
Glennallen	Kodiak	Seward	

(b) Linkages

A description of how linkages will be developed by local entities to fill identified gaps in services, through the provision of information, referrals, case management, and follow up consultations.

Overall services for clients and customers require close coordination with many organizations. This includes early childhood education organizations, universities, veterans' affairs, mental and other health, shelters, police departments, housing and finance corporations, local governments and schools, tribal, energy, other statewide non-profits, and environmental entities.

The Child Development Division works with a variety of partners in promoting and advocating for the needs of professionals in early childhood development as well as advocating for and implementing best practices. Members of RurAL CAP's staff sit on a variety of boards and panels including the Head Start State Association and Best Beginnings. The division also hosts the Parents As Teachers statewide office which supports all programs, not just RurAL CAP's. In each of the early childhood programs, Early Head Start, Head Start and Parents As Teachers, family visitors work directly with each child's family to access much needed services—this can vary from a simple recommendation to the Tobacco Quit Line to a referral for medical services from the state.

The Community Development Division and Planning and Construction Division work on the community level to provide access to a wide array of community assistance. Many times RurAL CAP is the first contact community members utilize to become informed about other funding or assistance for their community. Connections have been made for these communities with a variety of organizations and agencies including the Alaska Native Tribal Health Consortium, the Environmental Protection Agency, Alaska Village Initiatives, local housing authorities, the Denali Commission, U.S. Census Bureau, USDA Rural Development and the Affordable Housing Partnership.

The Supportive Housing Division works with special needs populations who have challenges with housing including chronically homeless individuals battling alcoholism. Comprehensive services require working with a variety of organizations. Case managers work directly with individuals to identify gaps in services they need and to determine programs for which they are eligible. Close working relationships have been developed with housing entities such as Alaska Housing Finance Corporation, mental health and wellness service providers such as Alaska Native Medical Center, Anchorage Community Mental Health Services, the Alaska Psychiatric Institute and the Alaska Mental Health Trust Authority. The Supportive Housing Division is also part of the Continuum of Care organizations working in the municipality and therefore interacts with other social service organizations such as Salvation Army, Catholic Social Services, Bean's Café, Brother Francis Shelter, Covenant House and Alaska Women and Children in Crisis. Community Councils in which the facilities are located that house Supportive Housing's tenants are important entities that information is shared with on a regular basis. These Councils ensure that neighborhoods have the maximum amount of community self-determination as afforded by law.

(c) Coordination with Other Public and Private Resources

A description of how funds made available through grants to eligible entities will be coordinated with other public and private resources.

RurAL CAP values the opportunities for leveraging CSBG funds in order to provide effective and efficient delivery of services across the state in challenging conditions with extremely high costs of doing

business. In 2011, it leveraged the CSBG funds with over \$37 million in state, local, private, and fees for service funding of which approximately 29% is from direct federal sources, 15% are federal funds that pass through the state, 47% from state and local sources and 9% from foundations, individuals, earned revenue, and other. Accomplishments in this area include specifically increasing support from the State of Alaska and foundations and corporations active in the communities served by RurAL CAP.

RurAL CAP coordinates and engages in collaborations with other organizations and institutions to avoid duplication and maximize the delivery of the early childhood development, housing, and community development programs. The success of the organization comes from its ability and willingness to work with other organizations to deliver the specific outcomes reported each year in the Results Oriented Management and Accountability Reporting Document. It does this through a well designed planning process that includes coordination with local governments, state and federal agencies, higher education institutions, training facilities, funding entities, tribal organizations, other non-profits, the legislature, Native for-profits, school districts, private corporations, associations, Congressional delegation, and the Governor's office.

(d) Innovative Community and Neighborhood-based Initiatives

A description of how local entities will use the funds to support innovative community and neighborhood-based initiatives related to the purposes of the CSBG, which may include fatherhood initiatives and other initiatives with the goal of strengthening families and encouraging effective parenting.

RurAL CAP is recognized for its work in providing sustainable efforts at improving communities through capacity building throughout the state. It includes implementation of:

Homeward Bound, which moves public inebriates off the streets into secure housing arrangements, reuniting families, and ultimately employment.

The Homeward Bound Speaker's Bureau was formed to empower residents to educate the community on issues pertaining to homelessness.

The opening of Karluk Manor in December 2011, the *Housing First* model which is based on the idea that individuals achieve a greater level of self-sufficiency when they obtain permanent housing **first**, rather than receiving housing as a condition of completing an array of treatment programs.

RurAL CAP's Planning and Construction Division established the Self-Help Housing Program in 2004 through a partnership with the U.S. Department of Agriculture Rural Development (USDA RD) and the Rural Community Assistance Corporation (RCAC).

Through the Self-Help program, homeowners take part in the actual building of their own homes and

- Learn new skills: Personal finance, home construction, home maintenance
- Build and own a new home with very little out-of-pocket expense
- Gain a sense of accomplishment and ownership
- Work together with others to build strong communities
- Receive affordable mortgage loans (interest as low as 1%)
- Reduce the purchase price of the home with their own hard work
- Payments smaller than what is paid for rent in most cases
- No mortgage payment during the construction phase
- Gain instant equity the day the owner moves in

Communities also benefit from:

- Increased and maintained affordable housing stock
- Increased property tax base to support local government services
- Boost in local economies through purchase of building materials and hiring subcontractors
- Stabilized communities by providing safe, attractive and affordable housing
- Creating vibrant neighborhoods
- Contributing to a stable workforce

Parents as Teachers in 22 communities throughout Alaska that builds long-term capacity for parents and

communities.

AmeriCorps programs extend the local capacity and sustainability by training local people in community health and wellness.

The annual Rural Providers' Conference which promotes substance abuse prevention services resulting in healthy families and communities.

Community Needs Assessments

The use of CSBG funds was determined by utilizing the following avenues of information regarding the unmet needs of people living in poverty:

- Information gained from attendance at the monthly Homeless Services Forum, facilitated by the Municipality of Anchorage;
- Information from the Mayor's 10 Year Plan to End Homelessness, Municipality of Anchorage;
- RurAL CAP Board of Directors, especially target area representatives;
- 450 regular RurAL CAP staff who, through direct work with communities and individuals and

- coordination with other organizations, learn of gaps and needs in rural communities.
- The State of Alaska Division of Community and Regional Affairs' 2009 Rural Population Report discussing the changing trends in rural populations and the impacts to rural and urban Alaska;
- The Yukon Kuskokwim Health Corporation's 2009 Forgotten America: Rural Alaska Problems and Solutions Report;
- The Alaska Housing Finance Corporation's 2009 Alaska Housing Assessment;
- UAA's Institute of Social and Economic Research 2010 Market Factors and Characteristics Influencing Rural Alaska Fuel Prices Report;
- The McDowell Group's survey of Native Perspectives on Alaska Issues that reports findings from Alaska Native households across the state on a wide variety of topics;
- A survey and questionnaire distributed and analyzed by the Community Development Division from villages regarding management and capacity building needs.

Research publications by the University of Alaska reaffirm that the issues RurAL CAP is addressing are the needs as determined by people in rural communities.

RurAL CAP engages in a comprehensive planning process which includes the gathering of current data on rural Alaska and of the poor in Alaska. Program customers, board members, staff and stakeholders have all had input into the gathering and prioritizing of ideas and information. Because the needs of low-income people in Alaska are so overwhelming, RurAL CAP focuses on those needs that the agency is best able to meet. The strategic planning process includes a three-year vision for the main strategic directions for the agency. Individual programs then develop their own strategies and action steps in order to implement the plan. This plan is updated on a regular basis. RurAL CAP submits a copy of the plan to the State annually.

(3) Tripartite Boards:

The grant agreement between the Department and RurAL CAP incorporates the requirement that RurAL CAP shall administer the CSBG program through a tripartite board that fully participates in the development, planning, implementation and evaluation of the program to service low-income communities.

RurAL CAP's 24-member Board of Directors represents every region of Alaska. There are three categories of directors on the board:

- 1) Target Area Directors make up at least one-third of the board as representatives of organizations which serve low-income Alaskans in specific geographic areas;
- 2) Private Sector Directors are officials or members of other nonprofit organizations whose mission and interests complement those of RurAL CAP; and
- 3) Public Directors make up one-third of the total board as representatives of elected or appointed officials.

RurAL CAP provides the Department with notification in changes in Board membership and policy. The Department monitors the composition and activities of the Board of Directors for compliance on an on-going basis. Technical assistance and guidance are also provided on an on-going basis and at RurAL CAP's request.

(4) State Charity Tax Program:

Not applicable

(5) Programmatic Assurances

Following is a description of how each of the assurances outlined in Section 676(b) of the CSBG Act will be carried out:

(a) Assurance '676(b)(1) :

- (1) To support activities that are designed to assist low-income families and individuals, including

families and individuals receiving assistance under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), homeless families and individuals, migrant or seasonal farmworkers, and elderly low-income individuals and families to enable families and individuals to:

(i) *Removing barriers to Self-Sufficiency;*

The obstacles are many for low income people living in communities with few economic opportunities or for those who have been homeless for years. RurAL CAP's guiding principles include working with individuals and community members to find long term solutions to improving the quality of life for low income people. That means providing services that don't always mean making more money when that is not necessarily possible, but rather providing services which lead to economic self sufficiency and healthy families and communities. For example, providing training which results in certification as Head Start workers for long-term employment opportunities; providing community planning training for youth in their villages; reducing the rates of alcohol and other substance abuse and making it possible for those individuals to then have access to housing, training, and employment; preparing young children for readiness in kindergarten and first grade and ensuring their nutritional and basic health care needs are met while in the pre-school programs; providing awareness of ways to spend less monies through energy efficient habits and conservation; developing solid waste management programs that result in healthy local environments; providing fire protection training.

An example of the details of a program that reflects this method of service delivery is Project Homeless Connect which provides a one stop shop of resources for homeless individuals and families. Community volunteers assist people in obtaining food boxes, hot meals, showers and haircuts, onsite child care, substance abuse and mental health screenings, wheelchair repairs, housing applications, employment support, and health screenings.

Residents are offered transitional housing, case management, housing information, employment assistance, mental health counseling, gender specific services for men and women, reintegration activities, volunteer work, individual and group counseling, and life skills classes.

(ii) *Secure and retain meaningful employment;*

RurAL CAP believes in the value of empowering low-income Alaskans and in finding lasting solutions for meeting community needs. Therefore a large part of the strategy for delivering services includes local hire in every division. For example, positions are hired from within communities served for teaching jobs, bus drivers, cooks, service positions, program outreach, community health, and construction work. This allows for income, education and training opportunities to the low-income people served. RurAL CAP works directly with community members, and as a result, programs and services are keenly aligned with community needs. In addition, the capacity built through program work stays in the community after projects are complete.

In Anchorage, Community Bound offers specific case management to individuals needing housing assistance and employment development. Community Bound provides participants with training in tenant rights and responsibilities, employment, money management, community volunteer opportunities, social relations, communication, and advocacy. The approach is a systemic one that provides the tools and training to individuals to understand their role in maintaining self-sufficiency.

(iii) *Attain an adequate education and improve literacy skills;*

The Child Development Division provides services to prenatal women, children and families in 33 communities across Alaska. The programs offered by the division include Head Start, Early Head Start, Parents As Teachers, and child care.

All Child Development Division programs are designed to facilitate parent involvement

and community collaboration. Programs promote the basic tenet that parents are the child's first and best teacher. Services to children promote positive socio-emotional development, healthy practices, cultural richness and school readiness. Services to families support self-determination and empowerment.

Head Start and Early Head Start are comprehensive child development programs serving low income children and their families. Head Start serves children ages three to five and Early Head Start serves prenatal women and children ages birth to three. The programs promote school readiness by enhancing the social and cognitive development of children through the provision of educational, health, nutritional, social and other related services. The programs also help parents make progress toward their own education, literacy and employment goals.

Local Parent Committees are formed at each Head Start Center to assist the staff in curriculum development, increase community support and offer advice on programmatic and fiscal decisions. Parents help determine the cultural appropriateness and responsiveness of program services.

Parents As Teachers (PAT) is an early childhood parent education and family support program designed to empower parents to give their children the best possible start in life. Home visits and group socializations are offered to families in 22 communities across the State. The PAT approach is to support all children so that they will learn, grow and develop to realize their full potential.

- (iv) *Make better use of available income;*
RurAL CAP's guiding principle of working with individuals and community members to find ways to contribute to economic self sufficiency has directed it towards programs that result in spending fewer dollars or for building capacity so individuals can earn a living. For example, providing training which results in certification as Head Start workers for long-term employment opportunities; providing community planning training for youth in their villages; reducing the rates of alcohol and other substance abuse and making it possible for those individuals to then have access to housing, training, and employment; preparing young children for readiness in kindergarten and first grade and ensuring their nutritional and basic health care needs are met while in the pre-school programs; providing awareness of ways to spend less monies through energy efficient habits and conservation; developing solid waste management programs that result in healthy local environments; providing fire protection training.
- (v) *obtain and maintain adequate housing and a suitable living environment;*
RurAL CAP's Supportive Housing Division provides services to chronic homeless alcoholics many of whom have severe mental health and substance abuse problems. Homeward Bound is one of only three programs in the United States with comprehensive services ranging from access to detox to housing. Homeward Bound also serves individuals and families experiencing income limitations by providing affordable housing.

Housing First Services

Karluk Manor is a 46-unit housing residence located in downtown Anchorage. It is the first Housing First facility in Anchorage. Housing First is a best practice whereby chronic inebriates are provided permanent housing as the first step to self-sufficiency and community reintegration. Housing First has been shown to increase the success rate of its residents for maintaining long-term housing and to reduce society's cost burden in providing services and emergency response to this population.

Homeward Bound implements Housing First case management services as part of the Mayor's Ten Year Plan to End Homelessness. Housing First is based on a national model that places hard to serve individuals directly into housing without requiring compliance

with established social service programs.

Affordable Housing

Homeward Bound's Affordable Housing program provides rental units to individuals with little or no income. The Affordable Housing program only requires a person's ability to pay rent, to care for an apartment, and be a good neighbor as prerequisites for tenancy.

The Planning and Construction Division assists rural communities and low-income people by increasing affordable housing opportunities, preserving and improving existing housing, facilitating community-based planning, and building the capacity of rural communities to participate effectively in the development of housing and related infrastructure.

Self-Help Owner-Built Homes

Progress on Self-Help Owner-Built housing projects in Sterling and Kenai continues to be made. Families must contribute "sweat equity" in order to qualify for the program. Extensive homebuyer counseling, financial literacy training and assistance with budgeting and resolving outstanding credit issues is provided to potential self-help participants. These services help families to qualify for not only the self-help program, but to prepare for successful homeownership in general.

Housing Services

RurAL CAP's Planning and Construction housing services program assists rural and urban communities with carrying out housing development, rehabilitation, and weatherization. With special expertise in rural logistics, and in blending and managing funding from multiple sources, RurAL CAP helps communities expand and improve affordable, energy-efficient housing options.

Weatherization is the division's longest-standing program. The focus of weatherization is to increase the safety, energy-efficiency and comfort of the homes served. Unlike similar programs in other areas of Alaska and the Lower 48, the Western/Northwestern Alaska program serves an entire community at one time, rather than individuals scattered among multiple communities. RurAL CAP weatherization projects take 1-3 years to complete, depending on the size of the community being served.

Homes receiving weatherization services must be occupied by income eligible homeowners. Priority is given to Elders, handicapped individuals, and households with children under six years old. In all weatherization and rehabilitation projects, local hire is an important element which provides employment, and leaves communities with a more skilled labor pool.

- (vi) *Obtain emergency assistance;*
RurAL CAP provides emergency assistance to meet immediate and urgent family and individual needs in these ways:

Through the Project Homeless Connect in Anchorage, critical winter gear is distributed and initial contact information is provided about available services. In 2011 Supportive Housing's Anchorage outreach team initiated 1,763 contacts with homeless individuals in Anchorage in the form of referrals, support and advocacy by the outreach team. Over 1,400 people received food boxes, hot meals, showers and haircuts, substance abuse and mental health screenings, wheelchair repairs, housing applications, employment support and health screenings through Project Homeless Connect—a program sponsored by the Anchorage Coalition on Homelessness, of which RurAL CAP is a member.

As homeless individuals enter either the Homeward Bound or Housing First programs, more in-depth assistance is offered by helping residents access special services for which

they are eligible but might not be using. Each resident is assigned a case manager who walks them through the steps necessary to access services, including health care, substance abuse treatment, mental health care, representation with regard to legal issues and accessing legal aid, accessing income through mainstream providers, food stamps, housing (rental assistance through a tribal organization, rental deposit through the municipal Safe City program, Section 8 vouchers or public housing through the state public housing office), employment through the Workforce Investment Act and state/local programs, financial planning through Consumer Credit Counseling Services of Alaska, and if applicable, VA Benefits. Case managers offer this level of assistance to roughly 120 people a year. The result is that residents are better able to access services available to them.

Nutritional support and referral assistance is provided to low income families in the Childhood Development programs. All 26 Head Start programs, per national program requirements, provide for at least 1/3 of each child's daily nutritional requirement according to USDA guidelines. Through these programs normally 2/3 of each child's requirements are provided for. In 2011 more than 120,000 meals were served during the school year. In addition, through work with the parents and families of the Head Start, Early Head Start and Parents and Teachers children, information is offered on good nutrition and wellness. Monthly social activities often include a nutritious meal or snack and from time to time a cooking lesson. Programs also link parents and families in need with services from other organizations. In 2011, the PAT program served 513 children and their families and 59 prenatal women.

(vii) *achieve greater participation in the affairs of the community;*

RurAL CAP's Community Development Division provides resources, training and service opportunities to low-income Alaskans in order to promote health and wellness, improve environmental conditions, save energy and build capacity. The division focuses on positive solutions that are culturally appropriate and achieve measurable results.

The Community Development Division includes five national service AmeriCorps and VISTA programs. RurAL CAP supports up to 150 AmeriCorps and VISTA members in approximately 65 communities across Alaska. Members are recruited locally from the communities they will serve in, trained by RurAL CAP and serve for usually one year

Community Planning

Through the Planning and Construction Division, RurAL CAP continues its work with a community planning tool that is tailored to the special needs and circumstances of Alaska's small rural communities. Built around a rural Alaskan understanding of the social, political, cultural, and physical environment, the community planning tool helps villages tell their unique stories, and plan for the future while embracing their values, culture, and vision.

RurAL CAP provides training and technical assistance to communities that wish to engage in community planning activities. Services include training conferences and events, as well as on-site assistance in developing a community plan.

- (2) To address the needs of youth in low-income communities through youth development programs that foster leadership and life skills development leading to future employability. The youth programs are strength-based and focus on academic proficiencies, health topics, community service, outdoor appreciation and survival skills, fostering of adult-youth relationships, environmental action, tobacco prevention, learning Native culture, and life skills. This is done by supporting the primary role of the family, giving priority to the prevention of youth problems and crime, promoting increased community coordination and collaboration in meeting the needs of youth, and supporting the development and expansion of innovative community-based youth development programs that have demonstrated success in preventing or reducing youth crime,

such as programs for the establishment of violence-free zones that would involve youth development and intervention models (such as models involving youth mediation, youth mentoring, life skills training, job creation, and entrepreneurship programs); and after-school child care programs; and

- (3) To make more effective use of, and to coordinate with, other programs (including State welfare reform efforts). (Both (2) and (3) are answered below.)

Students in Service AmeriCorps Program

RurAL CAP works with the University of Alaska Anchorage and the University of Alaska Fairbanks to coordinate up to 80 part-time Students in Service AmeriCorps members annually. Services provided by members address a number of social and health issues including domestic violence, suicide, alcohol and drug abuse, employment and training, teen pregnancy, corrections and juvenile delinquency, child development, and child welfare.

Building Initiatives for Rural Community Health (BIRCH) AmeriCorps Program

BIRCH AmeriCorps members design and support community-wide events for youth, families and Elders in the areas of health education, substance abuse prevention and wellness. In 2010, BIRCH members served 15 Alaskan communities.

Rural Alaska Village Environmental Network (RAVEN) AmeriCorps Program

The RAVEN AmeriCorps members improve environmental conditions through youth education, pollution prevention, community clean-up efforts, energy conservation, recycling and other solid waste management projects across rural Alaska. RAVEN AmeriCorps members worked in 20 communities in 2011.

VISTA Energy Program

RurAL CAP launched the VISTA Energy Program in April of 2007. In 2011, 14 VISTAs worked to reduce the burden of energy costs in their rural communities. Projects planning and capacity building for renewable energy options, and home energy efficiency education.

- (b) **Assurance '676(b)(4): Eligible entities** in the State will provide, on an emergency basis, for the provision of such supplies and services, nutritious foods, and related services, as may be necessary to counteract conditions of starvation and malnutrition among low-income individuals.

Project Homeless Connect

Project Homeless Connect provides a one stop shop of resources for homeless individuals and families. RurAL CAP employees contributed over 100 hours of staff time to two Project Homeless Connect one stop shop events for homeless individuals. The program helps homeless individuals by obtaining food boxes, hot meals, showers and haircuts, on site child care, substance abuse and mental health screenings, wheelchair repairs, housing applications, employment support, and health screenings.

RurAL CAP has met the federal nutrition requirements for its Head Start sites.

- (c) **State Assurance '676(b)(5): and the eligible entities in the State** will coordinate, and establish linkages between, governmental and other social services programs to assure the effective delivery of such services to low-income individuals and to avoid duplication of such services, and State and the eligible entities will coordinate the provision of employment and training activities in the State and in communities with entities providing activities through statewide and local workforce investment systems under the Workforce Investment Act of 1998.

RurAL CAP works extensively with state related entities that receive funding under the Workforce Investment Act. The Anchorage Services Division works with Nine Star, Division of Vocational Rehabilitation, State Training and Employment Program, all GED completion programs, CITC, etc. to assist resident participants in reaching their employment goals. The Dept. of Labor assists with job

applications. In addition, residents are provided employment classes and internet access to all private companies that may be hiring. They are also provided transportation to employment related activities and access to “day labor” jobs.

The Planning and Construction Division hires individuals for the weatherization projects who have completed DOL workforce training programs.

Community Development, in partnership with the Denali Commission and State Department of Labor provides three days of training for up to 100 AmeriCorps and VISTA Service Members and their Supervisors (primarily tribal and city council administrators) to strengthen leadership development, supervisory skills and managerial capacity to support Denali Commission and other public infrastructure projects in rural Alaska.

Through Energy Wise, Alaska Works Partnership trainings provide Weatherization Tech 1 and OSHA 10 certification training in preparation for work as Crew Members and to ready them for future employment in the energy or construction field.

- (d) Assurance '676(b)(6):** The State will ensure coordination between antipoverty programs in each community in the State, and ensure, where appropriate, that emergency energy crisis intervention programs under title XXVI (relating to low-income home energy assistance) are conducted in such communities.

RurAL CAP utilizes LIHEAP as part of the funding that Alaska Housing Finance Corporation provides for the Weatherization Program. LIHEAP supplements the Department of Energy and AHFC funds. Since the LIHEAP funds need to be expended by June 30 of each year, RurAL CAP uses them primarily for the initial materials purchase for the rural projects and also for some of the personnel startups costs each year. For 2011, RurAL CAP expended \$348,024 in LIHEAP funds. RurAL CAP is one of now four (the Municipality of Anchorage’s Weatherization services were awarded to RurAL CAP in December, 2010) agencies that provide Weatherization across the state, and in 2008, the tribal Housing Authorities were added when the state provided additional funds for Weatherization services. The goal of the program is to increase the energy efficiency (save stove oil and electricity costs) in the homes. Eligibility has been extended to 100 percent of median income to allow more people to qualify. However, persons at 60 percent median income will have a higher priority.

- (e) Assurance '676(b)(9):** The State and eligible entities in the State will, to the maximum extent possible, coordinate programs with and form partnerships with other organizations serving low-income residents of the communities and members of the groups served by the State, including religious organizations, charitable groups, and community organizations.

The Supportive Housing Division is an example of successful partnerships throughout Anchorage to maximize services for individuals with low incomes. It currently has partnerships with businesses such as the Red Apple Grocery store and Camp Fire for handling their recycling efforts. It provides day labor to several construction or private businesses in Anchorage. It partners with Catholic Social Services, Cook Inlet Tribal Council, the Municipal Dept. of Neighborhoods, Alaska Housing Finance Corporation, The Alaska Mental Health Trust Authority, the Alaskan Aids Assistance Association, HUD, the Division of Behavioral Health, Cook Inlet Housing Authority, Anchorage Housing Initiatives, individual landlords throughout Anchorage, the Mt. View Community Council, etc. to provide a continuum of care from getting people off the streets to eventually placing them in permanent supportive housing.

The Child Development, Community Development, and Planning and Construction Divisions which provide services in rural Alaska are also well connected with the many statewide, regional and local organizations that allow them to more effectively and efficiently deliver services including school districts, tribal organizations, city, municipal and borough governments, church groups, Boys & Girls Clubs, State Departments of Education and Health and Social Services, natural resource entities, solid waste management, AHFC, federal agencies, local clinics, Elders Councils, University of Alaska, Native corporations and organizations, financial institutions, and the Denali Commission. In 2011,

RurAL CAP partnered with over 250 organizations to deliver its programs and services.

The Community Development Division maintains numerous partnerships and coordinates programs with a variety of community-based and statewide organizations involving low-income people also served by the State of Alaska. These include tribal governments and city councils, schools, churches, health clinics and other organizations in over 60 communities across Alaska where the AmeriCorps and VISTA members serve. In addition, the Division partners with Alaska Native non-profit and for-profit corporations, statewide non-profit agencies and foundations.

A sampling of these organizations include Yukon River Inter-Tribal Watershed Council, Tanana Chiefs Council, Alaska Native Tribal Health Consortium, Denali Commission, Alaska Community Foundation, Nome Eskimo Community, Association of Village Council Presidents, Cook Inlet Tribal Council, NANA Regional Corporation, Bristol Bay Native Association, Bristol Bay Native Corporation, Kodiak Island Housing Authority, Best Beginnings, Central Council Tlingit & Haida Indian Tribes of Alaska, Bering Straits School District, Alaska Youth for Environmental Action, Renewable Energy Alaska Project, Spirit of Youth, Alaska Tribal Conference on Environmental Management, Cold Climate Housing Research Center, the Alaskan Aides Assistance Association.

G. Fiscal Controls and Monitoring

- (1) State Program Monitoring:** Department staff monitors RurAL CAP on an on-going basis to ensure compliance with the provisions of the Act. An on-site review took place at the RurAL CAP offices in Anchorage on May 10-11, 2012. The State has met its obligation to monitor the grantee on-site at least once every three years.

When an on-site visit is done, an entrance interview is conducted with the Executive Director of RurAL CAP and anyone he/she elects to have participate. The purpose of the entrance interview is to review the monitoring process and the files, records, etc which will need to be made available.

After the monitoring review is completed, an exit interview is held with the Executive Director of RurAL CAP and any one he/she elects to have participate. During that interview, any problems, concerns, or issues that need to be addressed or resolved, will be outlined.

A written monitoring report also outlining issues (both positive and negative) is sent to RurAL CAP's Executive Director with timelines for resolution identified. There were no findings or issues of a negative nature identified as a result of the May 2009 monitoring visit.

CSBG staff attended Monitoring Principles & Practices training in May 2006. Our monitor process was revised after receiving this training. An updated monitor form and a Pre-Visit Questionnaire were developed and used during the May 2012 review.

RurAL CAP has an annual audit conducted each year by a private independent firm. The audit meets both federal single audit and state single audit requirements. KPMG completed an audit for the year ending September 30, 2011 and issued their report in December 2011.

- (2) Corrective Action, Termination and Reduction of Funding:** If the Department should determine that the eligible entity fails to comply with the terms of an agreement, the State Plan, or to provide services under this subtitle, or to meet appropriate standards, goals, and other requirements, the Department will provide RurAL CAP with written notification of the deficiencies and an opportunity to correct the deficiencies within an agreed upon timeframe (60 days). Within 30 days after receiving an improvement plan from RurAL CAP, the Department will review it and make a determination as to its acceptability. If not acceptable, reasons why will be identified. Technical assistance will be offered by the Department in correcting the deficiencies.

If the eligible entity fails to correct the deficiencies, after providing the eligible entity with adequate notice and an opportunity for a hearing, the Department will initiate proceedings to terminate the designation of or reduce the funding under this subtitle of the eligible entity. The Secretary will be copied on all such correspondence.

correspondence.

- (3) Fiscal Controls, Audits, and Withholding:** The Department provides assurance that fiscal and fund accounting procedures in compliance with OMB Circular A-110 and A-122 have been established and shall apply to recipients of funds under this subtitle, to ensure the proper disbursement of and accounting for federal funds paid to the State under this subtitle, including procedures for monitoring the assistance provided under this subtitle and provide at least every year for the preparation of an audit of expenditures of amounts received under this subtitle and amounts transferred to carry out the purposes of this subtitle, in accordance with the Single Audit Act, PL 98-502 (31 USC 75 and OMB Circular A-128). The Department requires that the Grantee be audited annually and a copy submitted to the Office of Management and Budget for review and audit resolution if required.

The Department segregates each federal grant appropriation into two categories: Grant Funds and Administrative Funds. A collocation code for each is established once funds are released by the Budget Analyst. The eligible entities grant agreement is coded to the Grants Line Item. It contains a line item budget against which monthly billings for reimbursement are requested. The Grantee's monthly financial reimbursement requests are approved by Program staff for program compliance and reviewed by Fiscal staff for mathematical accuracy.

Administrative funds are also tracked by collocation code. All expenditures are approved and tracked by Program and Fiscal staff.

- (a) Cooperation with Federal Investigations [676(b)(7) and 678D]:** The Department agrees to cooperate with any Federal investigation undertaken in accordance with Section 678D(b)(3) of the Act. No federal investigations were undertaken in prior years, but should the need arise, the Department will assist in any way possible. Copies of the State Plan, RurAL CAP's grant agreements, and Annual Reports are public information and open and available for review by the public, the Alaska Governor's Office, the Alaska State Legislature, the Alaska State Congressional delegation, or any interested party.
- (b) Termination or reduction in proportional funding [676(b)(8)]:** Any eligible entity in the State that received funding in the previous fiscal year through a community services block grant under the community services block grant program will not have its funding terminated or reduced below the proportional share of funding the entity received in the previous fiscal year unless, after providing notice and an opportunity for a hearing on the record, the State determines that cause exists for such termination or such reduction, subject to review by the Secretary as provided in Section 678C(b) of the Act.
- During prior Federal Fiscal years (at least the last 12) the Department has not terminated or reduced funding to a Community Action Agency. Procedures for so doing are outlined in this Plan.
- (c) Adequate Representation on the Board [676(b)(10)]:** The By-Laws of the Board of Directors of RurAL CAP identify the procedures for obtaining representation on the Board and the mechanisms to obtain representation by other means. RurAL CAP submits a copy of the by-laws to the State annually.

H. Accountability and Reporting Requirements

(1) Results Oriented Management And Accountability:

Several times over the years, RurAL CAP has provided in-depth training in results oriented outcome management to its staff. Recently, Elliott Pagliaccio, a national expert and trainer on results oriented management, conducted a two-day intensive training with RurAL CAP staff. This refresher course, along with a leadership team that values measurable outcomes, has enabled RurAL CAP to become proficient in measuring outcomes. The process continues to be refined and expanded to new programs and initiatives. The outcome measures for each program are provided immediately following the program narratives in Appendix B.

Over the past several years, RurAL CAP has established itself as a national leader in the use of outcome measures. Within the national CSBG family of Community Action Agencies, Alaska's progress in implementing outcome management and its comprehensive publication of outcome measures has been hailed as an example for other states to follow.

As RurAL CAP continues the process of transforming itself into a “results and learning” organization (one that measures success in terms of customer outcomes – measurable changes in conditions and behaviors of the people served), it has raised the level of energy and enthusiasm throughout the agency. Over the past few years, RurAL CAP has leveraged CSBG funds to develop new funding sources, new customers, better results and a customer service attitude that has helped lift the spirit of the organization and the many people whose lives are improved by it.

RurAL CAP has now fully integrated all of its programs into its ROMA model of outcome evaluation. Program Directors and Managers sit down with their supervisors on a quarterly basis to review customer progress on milestones and to discuss results and learning. New projects and programs are designed from the perspective of customer results. Over the coming year, RurAL CAP will continue to integrate its outcome management approach with its applied strategic planning process to assure that it continues to be a great human service organization.

(2) Annual Report [678E(a)(2)]:

The Department complies with this requirement through the annual submission of the Community Services Block Grant Information System Survey (CSBG/IS) submitted to the National Association for State Community Service Programs (NASCS). The latest compiled report was included in the 2011 CSBG/IS report due to NASCS by March 31, 2012. The 2012 CSBG/IS report will be submitted to NASCS by March 31, 2013.

The Department's CSBG/IS reports include information that is pertinent, comprehensive, and which describes in detail the CSBG activities and services provided as well as addresses outcomes which measure how CSBG funds were used to promote self-sufficiency, family stability, and community revitalization. It includes: Performance Objectives; Program Accomplishments and Activities; a Comparison of Planned vs. Actual Expenditures for the Prior Fiscal Year; a Profile of Participants Served (Number and characteristics of clients served); a Statistical Report on CSBG Program Services; and a State Offered T & TA Report (as an attachment).

A. Statement of Federal and CSBG Assurances

B. Budget Summary by Component/Work Plans/Narratives/Outcome Measures

C. Documentation of Public Hearing

Appendix A

Statement of Federal and CSBG Assurances

IV. Statement of Federal and CSBG Assurances:

The designee of the chief executive of the State of Alaska hereby agrees to the Assurances in Section 676 of the Act, as amended, (42 U.S.C. 9901 et seq.)(The Act), as follows-

A. Programmatic Assurances

Sec. 676(b) State application and plan

Beginning with fiscal year 2000, to be eligible to receive a grant or allotment under section 9905 or 9906 of this title, a State shall prepare and submit to the Secretary an application and State plan covering a period of not less than 1 fiscal year and not more than 2 fiscal years. The plan shall be submitted not later than 30 days prior to the beginning of the first fiscal year covered by the plan, and shall contain such information as the Secretary shall require, including -

(1) an assurance that funds made available through the grant or allotment will be used -

(A) to support activities that are designed to assist low- income families and individuals, including families and individuals receiving assistance under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), homeless families and individuals, migrant or seasonal farmworkers, and elderly low-income individuals and families, and a description of how such activities will enable the families and individuals -

(i) to remove obstacles and solve problems that block the achievement of self-sufficiency (including self-sufficiency for families and individuals who are attempting to transition off a State program carried out under part A of title IV of the Social Security Act);

(ii) to secure and retain meaningful employment;

(iii) to attain an adequate education, with particular attention toward improving literacy skills of the low-income families in the communities involved, which may include carrying out family literacy initiatives;

(iv) to make better use of available income;

(v) to obtain and maintain adequate housing and a suitable living environment;

(vi) to obtain emergency assistance through loans, grants, or other means to meet immediate and urgent family and individual needs; and

(vii) to achieve greater participation in the affairs of the communities involved, including the development of public and private grassroots partnerships with local law enforcement agencies, local housing authorities, private foundations, and other public and private partners to -

(I) document best practices based on successful grassroots intervention in urban areas, to develop methodologies for widespread replication; and

(II) strengthen and improve relationships with local law enforcement agencies, which may include participation in activities such as neighborhood or community policing efforts;

(B) to address the needs of youth in low-income communities through youth development programs that support the primary role of the family, give priority to the prevention of youth problems and crime, and promote increased community coordination and collaboration in meeting the needs of youth, and support development and expansion of innovative community- based youth development programs that have demonstrated success in preventing or reducing youth crime, such as -

(i) programs for the establishment of violence-free zones that would involve youth development and intervention models (such as models involving youth mediation, youth mentoring, life skills training, job creation, and entrepreneurship programs); and

(ii) after-school child care programs; and

- (C) to make more effective use of, and to coordinate with, other programs related to the purposes of this chapter (including State welfare reform efforts);
- (2) a description of how the State intends to use discretionary funds made available from the remainder of the grant or allotment described in section 9907(b) of this title in accordance with this chapter, including a description of how the State will support innovative community and neighborhood-based initiatives related to the purposes of this chapter;
- (3) information provided by eligible entities in the State, containing -
- (A) a description of the service delivery system, for services provided or coordinated with funds made available through grants made under section 9907(a) of this title, targeted to low-income individuals and families in communities within the State;
- (B) a description of how linkages will be developed to fill identified gaps in the services, through the provision of information, referrals, case management, and follow-up consultations;
- (C) a description of how funds made available through grants made under section 9907(a) of this title will be coordinated with other public and private resources; and
- (D) a description of how the local entity will use the funds to support innovative community and neighborhood-based initiatives related to the purposes of this chapter, which may include fatherhood initiatives and other initiatives with the goal of strengthening families and encouraging effective parenting;
- (4) an assurance that eligible entities in the State will provide, on an emergency basis, for the provision of such supplies and services, nutritious foods, and related services, as may be necessary to counteract conditions of starvation and malnutrition among low-income individuals;
- (5) an assurance that the State and the eligible entities in the State will coordinate, and establish linkages between, governmental and other social services programs to assure the effective delivery of such services to low-income individuals and to avoid duplication of such services, and a description of how the State and the eligible entities will coordinate the provision of employment and training activities, as defined in section 101 of such Act [29 U.S.C. 2801], in the State and in communities with entities providing activities through statewide and local workforce investment systems under the Workforce Investment Act of 1998;
- (6) an assurance that the State will ensure coordination between antipoverty programs in each community in the State, and ensure, where appropriate, that emergency energy crisis intervention programs under title XXVI [42 U.S.C. 8621 et seq.] (relating to low-income home energy assistance) are conducted in such community;
- (7) an assurance that the State will permit and cooperate with Federal investigations undertaken in accordance with section 9916 of this title;
- (8) an assurance that any eligible entity in the State that received funding in the previous fiscal year through a community services block grant made under this chapter will not have its funding terminated under this chapter, or reduced below the proportional share of funding the entity received in the previous fiscal year unless, after providing notice and an opportunity for a hearing on the record, the State determines that cause exists for such termination or such reduction, subject to review by the Secretary as provided in section 9915(b) of this title;
- (9) an assurance that the State and eligible entities in the State will, to the maximum extent possible, coordinate programs with and form partnerships with other organizations serving low-income residents of the communities and members of the groups served by the State, including religious organizations, charitable groups, and community organizations;
- (10) an assurance that the State will require each eligible entity in the State to establish procedures under which a low-income individual, community organization, or religious organization, or representative of low-income individuals that considers its organization, or low-income individuals, to be inadequately represented on the board (or other mechanism) of the eligible entity to petition for adequate representation;

(11) an assurance that the State will secure from each eligible entity in the State, as a condition to receipt of funding by the entity through a community services block grant made under this chapter for a program, a community action plan (which shall be submitted to the Secretary, at the request of the Secretary, with the State plan) that includes a community-needs assessment for the community served, which may be coordinated with community- needs assessments conducted for other programs;

(12) an assurance that the State and all eligible entities in the State will, not later than fiscal year 2001, participate in the Results Oriented Management and Accountability System, another performance measure system for which the Secretary facilitated development pursuant to section 9917(b) of this title, or an alternative system for measuring performance and results that meets the requirements of that section, and a description of outcome measures to be used to measure eligible entity performance in promoting self-sufficiency, family stability, and community revitalization; and

(13) information describing how the State will carry out the assurances described in this subsection.

B. Administrative Assurances

The State further agrees to the following, as required under the Act:

- (1) To submit an application to the Secretary containing information and provisions that describe the programs for which assistance is sought under the community services block grant program prepared in accordance with and containing the information described in, Section 676 of the Act. ['675A(b)]
- (2) To use not less than 90 percent of the funds made available to the State by the Secretary under Section 675A or 675B of the Act to make grants to eligible entities for the stated purposes of the community services block grant program and to make such funds available to eligible entities for obligation during the fiscal year and the succeeding fiscal year, subject to the provisions regarding recapture and redistribution of unobligated funds outlined below. ['675C(a)(1) and (2)]
- (3) In the event that the State elects to recapture and redistribute funds to an eligible entity through a grant made under Section 675C(a)(1) when unobligated funds exceed 20 percent of the amount so distributed to such eligible entity for such fiscal year, the State agrees to redistribute recaptured funds to an eligible entity, or require the original recipient of the fund to redistribute the funds to a private, nonprofit organization, located within the community served by the original recipient of the funds, for activities consistent with the purposes of the community services block grant program. ["675C(a)(3)]
- (4) To spend no more than the greater of \$55,000 or 5 percent of its grant received under Section 675A or the State allotment received under section 675B for administrative expenses, including monitoring activities. ['675C(b)(2)]
- (5) In states with a charity tax credit in effect under state law, the State agrees to comply with the requirements and limitations specified in Section 675(c) regarding use of funds for statewide activities to provide charity tax credits to qualified charities whose predominant activity is the provision of direct services within the United States to individuals and families whose annual incomes generally do not exceed 185 percent of the poverty line in order to prevent or alleviate poverty among such individuals and families. ['675(c)]
- (6) That the lead agency will hold at least one hearing in the State with sufficient time and statewide distribution of notice of such hearing, to provide to the public an opportunity to comment on the proposed use and distribution of funds to be provided through the grant or allotment under Section 675A or 675B for the period covered by the State plan. ['676(a)(2)(B)]
- (7) That the chief executive officer of the state will designate, an appropriate State agency for purposes of carrying out State community services block grant program activities. ['676(a)(1)]
- (8) To hold at least one legislative hearing every three years in conjunction with the development of the State plan. ['676(a)(3)]

- (9) To make available for the public inspection each plan or revised State plan in such a manner as will facilitate review of and comment on the plan. [‘676(e)(2)]
- (10) To conduct the following reviews of eligible entities:
- (a) full onsite review of each such entity at least once during each three-year period;
 - (b) an onsite review of each newly designated entity immediately after the completion of the first year in which such entity receives funds through the community services block grant program;
 - (c) follow-up reviews including prompt return visits to eligible entities, and their programs, that fail to meet the goals, standards, and requirements established by the State;
 - (d) other reviews as appropriate, including reviews of entities with programs that have had other Federal, State or local grants (other than assistance provided under the community services block grant program) terminated for cause. [‘678 B(a)]
- (11) In the event that the State determines that an eligible entity fails to comply with the terms of an agreement or the State plan, to provide services under the community services block grant program or to meet appropriate standards, goals, and other requirements established by the State (including performance objectives), the State will comply with the requirements outlined in Section 678C of the Act, to:
- (a) inform the entity of the deficiency to be corrected;
 - (b) require the entity to correct the deficiency;
 - (c) offer training and technical assistance as appropriate to help correct the deficiency, and submit to the Secretary a report describing the training and technical assistance offered or stating the reasons for determining that training and technical assistance are not appropriate;
 - (d) at the discretion of the State, offer the eligible entity an opportunity to develop and implement, within 60 days after being informed of the deficiency, a quality improvement plan and to either approve the proposed plan or specify reasons why the proposed plan cannot be approved;
 - (e) after providing adequate notice and an opportunity for a hearing, initiate proceedings to terminate the designation of or reduce the funding to the eligible entity unless the entity corrects the deficiency. [‘678C(a)]
- (12) To establish fiscal controls, procedures, audits and inspections, as required under Sections 678D(a)(1) and 678D(a)(2) of the Act.
- (13) To repay to the United States amounts found not to have been expended in accordance with the act, or the Secretary may offset such amounts against any other amount to which the State is or may become entitled under the community services block grant program. [‘678D(a)(3)]
- (14) To participate, by October 1, 2001, and ensure that all-eligible entities in the State participate in the Results-Oriented Management and Accountability (ROMA) System. [‘678E(a)(1)]
- (15) To prepare and submit to the Secretary an annual report on the measured performance of the State and its eligible entities, as described under ‘678E(a)(2) of the Act.
- (16) To comply with the prohibition against use of community services block grant funds for the purchase or improvement of land, or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related home repairs) of any building or other facility, as described in Section 678F(a) of the Act.
- (17) To ensure that programs assisted by community services block grant funds shall not be carried out in a manner involving the use of program funds, the provision of services, or the employment or assignment of personnel in a manner supporting or resulting in the identification of such programs with any partisan or nonpartisan political activity or any political activity associated with a candidate, or contending faction or group, in an election for public or party office; any activity to provide voters or prospective voters with transportation to the polls or similar assistance with any such election, or any voter registration activity. [‘678F(b)]
- (18) To ensure that no person shall, on the basis of race, color, national origin or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or

activity funded in whole or in part with community services block grant program funds. Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.) or with respect to an otherwise qualified individual with a disability as provided in Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 12131 et seq.) shall also apply to any such program or activity. [‘678F(c)]

(19) Section 679. Operational Rule.

(a) Religious Organizations Included as Nongovernmental Providers. - For any program carried out by the Federal Government, or by a State or local government under this subtitle, the government shall consider, on the same basis as other nongovernmental organizations, religious organizations to provide the assistance under the program, so long as the program is implemented in a manner consistent with the Establishment Clause of the first amendment to the Constitution. Neither the Federal Government nor a State or local government receiving funds under this subtitle shall discriminate against an organization that provides assistance under, or applies to provide assistance under, this subtitle, on the basis that the organization has a religious character.

(b) Religious Character and Independence.

(1) In General. - A religious organization that provides assistance under a program described in subsection (a) shall retain its religious character and control over the definition, development, practice, and expression of its religious beliefs.

(2) Additional Safeguards. - Neither the Federal Government nor a State or local government shall require a religious organization—

(A) to alter its form of internal governance, except (for purposes of administration of the community services block grant program) as provided in section 676B; or

(B) to remove religious art, icons, scripture, or other symbols; in order to be eligible to provide assistance under a program described in subsection (a).

(3) Employment Practices. - A religious organization’s exemption provided under section 702 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1) regarding employment practices shall not be affected by its participation in, or receipt of funds from, programs described in subsection (a).

(c) Limitations on Use of Funds or Certain Purposes. - No funds provided directly to a religious organization to provide assistance under any program described in subsection (a) shall be expended for sectarian worship, instruction, or proselytization.

(d) Fiscal Accountability -

(1) In General.—Except as provided in paragraph (2), any religious organization providing assistance under any program described in subsection (a) shall be subject to the same regulations as other nongovernmental organizations to account in accord with generally accepted accounting principles for the use of such funds provided under such program.

(2) Limited Audit.—Such organization shall segregate government funds provided under such program into a separate account. Only the government funds shall be subject to audit by the government.

(e) Treatment of Eligible Entities and Other Intermediate Organizations. - If an eligible entity or other organization (referred to in this subsection as an ‘intermediate organization’), acting under a contract, or grant or other agreement, with the Federal Government or a State or local government, is given the authority under the contract or agreement to select nongovernmental organizations to provide assistance under the programs described in subsection (a), the intermediate organization shall have the same duties under this section as the government.

C. Other Administrative Certifications

The State also certifies the following:

- (1) To provide assurances that cost and accounting standards of the Office of Management and Budget (OMB Circular A-110 and A-122) shall apply to a recipient of community services block grant program funds.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to

meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about --
 - (1) The dangers of drug abuse in the workplace;
 - (2) The grantee's policy of maintaining a drug-free workplace;
 - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
 - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

211 Cushman Street, Fairbanks, Alaska 99701

150 W 3rd Street, Juneau, Alaska 99811

☐ Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

- (1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its

principals:

- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;
 - (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
 - (d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

A handwritten signature in blue ink, appearing to read "Anna Bell", is written over a horizontal line.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103227, Part C Environmental Tobacco Smoke, also known as the Pro Children Act of 1994, requires that smoking not be permitted in any portion of any indoor routinely owned or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity. By signing and submitting this application the applicant/grantee certifies that it will comply with the requirements of the Act.

The applicant/grantee further agrees that it will require the language of this certification be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify accordingly.

Community Services Block Grant FY 2013
Administrative Services

NARRATIVE

SUMMARY OF COMPONENTS

Component 1 – Development/Planning Evaluation

I. Public Information Services. Funds are used from CSBG to support staffing for the activities in the Public Policy and Advocacy section for the overall agency public information functions including agency databases for various contact lists, desktop publishing, faxing, mailings, press releases, media coverage, fact sheets and public outreach publications, website and social media outlets (Facebook, My Space, Twitter).

II. Fund Development and Management. Funds are used from CSBG to support the Development Department. The Development Department is responsible for securing diversified financial support for all RurAL CAP programs and guides the agency's efforts in grant writing, relationship building and donation management. The department monitors current trends in program funding and opportunities. Development staff prepares competitive grant applications for all program divisions and maintains the organization's relationships with corporations, private foundations and individuals. Non-CSBG funding sources include local, state and federal grants, private foundation grants, corporate support and individual donations. Development staff participates in the design and creation of agency outreach material such as the annual report, fact sheets and the agency website. Development also helps monitor program results data to report back to funders.

III. Planning and Evaluation. Evaluate the effectiveness and efficiency of agency programs and services to improve outcomes for the people served. Evaluation is tied to the agency strategic plan and employs a variety of methods including the national evaluation model known as ROMA (Results Oriented Management and Accountability) and tools associated with specific programs and projects.

OUTCOME STATEMENT

The Administrative Services Division provides a range of services and activities that have a significant and measurable impact on the ability of RurAL CAP to leverage interest, funding and support for programs that help improve the quality of life for low-income Alaskans.

Our goal is to create or expand resources and opportunities in order to achieve family and community outcomes.

NEED FOR SERVICES

Customers

The customers are ultimately low income Alaskans who receive direct services from the agency program directors, managers, supervisors, coordinators, specialists, and other program staff which the entire agency supports.

Products

- Fund development to increase the financial and partnering capacities that sustain and grow the agency
- Public outreach materials
- Regular maintenance of the partner database and donation management
- Complete and monitor outcomes and refine where needed
- Compliance with grant requirements

OUTCOME MANAGEMENT MODEL

The outcome measures of the Administrative Services component have been integrated into RurAL CAP's ROMA model which includes performance targets, milestones, verification, projected numbers, product steps, and quarterly tracking of results. The outcome management models for the Administrative Services Department are formatted horizontally on the following pages. These pages complete the narrative section of the Administrative Services Department. The CSBG work plan is for the following component:

Component 1 – Development/Planning/Evaluation

- **Public Information Services**
- **Fund Development and Management**
- **Planning and Evaluation**

Outcome Measures – Administrative Services

Component I – Development/Planning/Evaluation

Submitted by Rachel Morse, Development Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 4

National Performance Indicator 4.1

RurAL CAP Strategic Plan

Outcome Statement #1

Performance Target #1

Partnerships Among Supporters and Providers of Service to Low-Income People are Achieved

Expanding Opportunities through Community-wide Partnerships

Dimension #6 – Capacity Building

RurAL CAP is awarded funds resulting in the mobilization of CSBG and additional non-CSBG funds to RurAL CAP and the ability to strengthen, improve and expand programs.

Out of \$40M in requested funding from a variety of sources, RurAL CAP will secure \$36.5 M distributed as follows: \$2.5 M in CSBG, \$15M in federal non-CSBG funds, \$12M in state funding, \$3M local funding, \$4M in volunteer-time contributions.

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for agency capacity building through fund development.	Verification: Tool or document used to verify that milestone was reached.	Projected \$ Secured or mobilized	Product Steps: What staff member does to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
1.0 RurAL CAP through Development Department identifies needs for funding and applies for CSBG, other federal funding, state funding, local funding and funding from private sources.	Copies of prepared proposals sent to funding opportunities.	\$40M	Strategic planning (all), budgeting (all) and proposal writing (Development).					
1.2 Divisions utilize CSBG funds for program work.	Financial reports related to program work.	\$2.5 M	Programs are executed by staff and supported by CSBG.					
1.3 Divisions utilize other federal program funds for work.	Financial reports related to program work.	\$15 M	Programs are executed by staff and supported by federal funds.					
1.4 Divisions utilize other state funds for program work.	Financial reports related to program work.	\$12 M	Programs are executed by staff and supported by state funds.

Outcome Measures – Administrative Services

Component I – Development/Planning/Evaluation

Submitted by Sarah Scanlan, Deputy Director

FY 2013 CSBG 4/1/13 to 3/31/14

National CSBG Goal # 5
National Perf. Indicator #5.1
RurAL CAP Strategic Plan
Outcome Statement #1

Agencies Increase their Capacity to Achieve Results.

Agency Development

Dimension #6 – Capacity Building

All RurAL CAP staff and board members will increase their capacity to achieve results and make decisions for effective program development as a result of the development and implementation of a strategic plan.

Performance Target #1

Out of 9 members of the Leadership Team, 9 members will increase their capacity to achieve results and improve programs as a result of the development and implementation of strategic plan resulting in mobilization of non-CSBG funds to RurAL CAP. (5.1 – B, C, D, E)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Program and Division Directors and Managers.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate	Product Steps: Who does what to make milestone happen	(4/1 - 6/30) Quarter 1	(7/1 – 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Leadership Team members develop schedule for annual review and update of agency plan.	Participant list, LT meeting minutes.	9	Deputy Director facilitates meeting and disseminates minutes.					
1.2 Leadership Team members collect and catalog assessments from all RurAL CAP programs for use in an annual review of the strategic plan.	Copy of strategic plan.	9	LT members listen to reports from staff and review program assessments; meeting minutes.					
1.3 Leadership Team members use the Strategic Plan as a guide for the development of programs to address the needs of low-income Alaskans.	Quarterly board reports; Copies of new proposals.	9	LT members and their staff design and implement new programs and projects consistent with the agency Strategic Plan.					
1.4 Leadership Team members convene to evaluate key indicators, needs assessments, and environmental scans; determines if plan requires adjustment.	LT meeting minutes.	9	Individual goals and objectives are compared to current and emerging trends.

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 5
National Perf. Indicator #5.1
RurAL CAP Strategic Plan
Outcome Statement #1

Agencies Increase their Capacity to Achieve Results.

Agency Development

Dimension #6 – Capacity Building

All RurAL CAP Staff will become successful and proficient in implementing outcome-based planning and evaluation.

Performance Target #1

Out of 16 Program and Division Directors and Managers, at least 8 will become successful and proficient in implementing outcome-based planning and evaluation using the ROMA (Results Oriented Management and Accountability) model resulting in mobilization of non-CSBG funds to RurAL CAP. (5.1 – B, C, D, E).

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for ROMA proficiency for RurAL CAP Program and Division Directors and Managers.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate	Product Steps: Who does what to make milestone happen	(4/1 - 6/30) Quarter 1	(7/1 – 9/30) Quarter 2	(10/1 -12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Directors and Managers participate in training to prepare planning and evaluation documents.	Training schedules and agendas.	16	Directors and Managers request further training if needed to review and clarify.					
1.2 Directors and Managers assist in developing Performance Targets, Milestones, Verification Tools, Projected Numbers, and Products Steps for each of their programs.	Annual CSBG Outcome Measure publication submitted to the Board and to DCCED.	13	Deputy Director provides training and reviews outcomes; RurAL CAP Board approves; Proposal goes to DCCED and legislative public hearing.					
1.3 Directors and Managers generate quarterly and annual reports measuring effectiveness of programs using Outcome Measures.	Written quarterly reports submitted to the Board of Directors; Quarterly CSBG outcome measures reports.	11	Board sets date for annual review of programs and goals; Executive Director compiles report for the Board.					
1.4 Directors and Managers have results and learning meetings with key staff to discuss and analyze outcome data.	Annual progress report to the board, annual performance evaluations.	11	Executive Director compiles report for the Board; supervisors note results and learning achievements in annual performance evaluations.

Community Services Block Grant FY 2013 Proposal
Child Development Division

NARRATIVE

SUMMARY OF COMPONENTS

Component 1 – General Child Development Division

CSBG supports the position of the Child Development Division Director. This position provides administrative oversight of Head Start, Early Head Start, Parents as Teachers, and Child Development Center programs. In total, the Child Development Division supports programs in 29 communities serving over 1,500 children with a staff of more than 250 people.

I. RurAL CAP Head Start / Early Head Start programs are administered in 26 communities across the state. Head Start is a program for low income children and their families. It is designed to help three to five year old children become socially competent and ready for entry to school. Educational activities are provided that support each child's developmental level and cultural background. Through strong partnerships with parents and communities, mental and physical health, dental, nutrition, and disability services are made available. Family partnership agreements are developed to assist families in achieving their goals. Parents are involved in setting the direction for the program through local Parent Committees, regional Parent Committees, and the Child Development Policy Council. The Early Head Start program provides home-based services to parents with children prenatal to three in six rural communities. Information regarding the importance of prenatal care is provided to expecting parents. Access to health care providers is supported and information is delivered to ensure the optimal growth and development for infants and toddlers. Parents are provided information about developmental milestones for their child and the importance of providing a stimulating environment. The research pointing to the importance of the "early years" in brain development validates the crucial need to reach parents at this time in their child's life and support quality parenting.

II. The RurAL CAP Parents as Teachers program is an early childhood parent education and family support program designed to empower all parents to give their child the best possible start in life. Services are offered in 19 communities. The program delivers home based services through bi-weekly visits to the families home and monthly group socializations. Important developmental information based on brain research is delivered using the PAT Foundational Model. Additional school readiness activities and family empowerment information is shared through parent workshops, groups meetings addressing topics of interest to parents, and joint play sessions with infant learning.

Component 2 – Child Development Center – Child Care Components:

I. The RurAL CAP Child Development Center is a licensed, year round, early care and learning program for 30 children between the ages of 19 months and 5 years. It is a tuition based program, which offers assistance to families in financial need. Many families are eligible for Child Care Assistance through Cook Inlet Tribal Council or the Municipality of Anchorage. The Center maintains collaborative relationships with many local assistance resources and programs to help low-income families achieve self-sufficiency. The Center continues its ongoing collaboration with faculty and students from the University of Alaska Anchorage associates and bachelors degree programs in early childhood education and social work. With this partnership major strides have been made in becoming a model early childhood training program. The Center continues to dedicate resources for ongoing professional development for staff and is making gains in increasing wages for early childhood professionals.

PROGRAM OUTCOME STATEMENT

The programs within the Child Development Division provide a range of services and activities which result in significant and measurable contributions towards solving the inequities in rural education. The common thread linking these programs is their shared outcome statement:

Our mission is to provide *quality early childhood education* that involves and serves communities, staff, parents, and children prenatal through age five. These programs respect Alaskan's cultural diversity and innate potential for personal and professional growth by entering into partnerships based on collaboration, advocacy, and self-sufficiency.

This outcome supports the achievement of the following CSBG goals:

- #3 Low-Income People Own a Stake in Their Community.
- #6 Low-Income People, Especially Vulnerable Populations, Achieve Their Potential by Strengthening Family and Other Supportive Systems

NEED FOR SERVICES

Program Customers

The Child Development Division target populations supported by CSBG are low-income families with young children who live below the poverty guidelines. Over 70% of service recipients are Alaska Native people living in remote rural villages. Most of these villages have no road access and can only be reached by plane, boat, or snow machine. These communities experience some of the most extreme social and economic conditions in the country as measured by rates of income, un-employment, education, alcohol and drug

abuse, domestic violence, accidental death, and suicide. Every three years an extensive Head Start Community Assessment is conducted. During the interim years, community updates are completed to track significant changes in community resources and services.

In Anchorage, families served by the Child Development Center are often those families who might not otherwise reach their full social, economic, or educational potential if quality child care were not available to them at an affordable cost. Studies have shown that children growing up in low-income families are at risk for repeating the cycle if they do not receive intervention in the early years of life. Often low income families are forced to place their children in inadequate child care while they work at low paying jobs or participate in training. This automatically puts their children at a disadvantage and in many cases puts them at risk of abusive or neglectful care. The Child Development Center is able to offer low-income families' access to the same quality of care that middle and upper income families can afford.

Program Products

The Child Development Division programs provide early care and learning experiences for children prenatal to five years of age through center-based or home-based program options. Parents are provided educational resources and information on child development, health, nutrition, mental health, disabilities, and positive behavioral support. The program helps parents accomplish individual goals such as obtaining job skills, employment, and training.

Head Start/Early Head Start classrooms are rich interactive environments full of developmentally appropriate materials and activities. The center-based option provides classroom time for children and two home visits and two parent/teacher conferences with families during the school year. The home visits and parent/teacher conferences focus on sharing information about the child's developmental level, school readiness and goals the parents may have for their child. In the Head Start home-based option, children and parents are visited weekly in their homes by a home visitor. Parents, as the primary educators of their children, become involved in the educational development of their children. The Head Start home based program offers sixteen group socializations and the Early Head Start program offers seventeen group socializations for children and families. Through these group experiences children have an opportunity to interact socially with other children while parents exchanged parenting tips and participate in various parent trainings. In the combination program option, children attend classroom three days a week and receive one home visit a month.

Staff in rural villages receive job training and employment in communities where little other job opportunities are available. With regulations now requiring Head Start teachers to possess bachelor degrees, classroom teachers are enrolled in college courses soon after completing their Child Development Associates. The training department in the Child Development Division connects teachers with distance education through the University of Alaska while still working full time in the classroom. Significant progress has been made in the number of teachers possessing associates and bachelor degrees. School

districts benefit from the high level of competency of local early childhood educators and children enter kindergarten better prepared for school.

The Child Development Center offers a year round, full day, early care and learning program. The Center is licensed by the Municipality of Anchorage. The curriculum and program philosophy parallels that of the RurAL CAP Head Start program. The curriculum is based on a child-centered approach in which the guidelines of The National Association for the Education of Young Children (NAEYC) are followed. The program also conducts age appropriate screenings for children to detect potential developmental delays. Referrals are made, with parent consent, to local early intervention programs, when needed.

OUTCOME MANAGEMENT MODEL

The outcome management models for the Child Development Division are formatted horizontally on the following pages. These pages complete the narrative section of the Child Development Division. The CSBG work plans are for the following components:

Component 1 – General Child Development Division

- **Head Start / Early Head Start Programs**
- **Parents As Teachers Program**

Component 2 –Child Care

- **Child Development Center**

Outcome Measures - Child Development Division

CSBG National Goal # 6

Low-Income People, Especially Vulnerable Populations, Achieve Their Potential by Strengthening Family and Other Supportive Systems

National Performance Indicator 6.3

Child and Family Development

Head Start Goal # 1

Enhance children's growth and development.

RurAL CAP Strategic Plan

Direction 1 - Child Development – Line of Business: Comprehensive Early Childhood Programs.

Outcome Statement #1

All prenatal women will be linked to an ongoing system of prenatal health care.

Performance Target #1

Out of 16 prenatal women enrolled in Early Head Start, 14 will complete a follow-up home visit within two weeks of returning to the community after giving birth to a healthy baby. (6.3 – C.1)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for prenatal women .	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Prenatal women enroll in Early Head Start.	Enrollment data. Prenatal Files.	16	Staff conduct ongoing recruitment activities for prenatal women.					
1.2 Prenatal women receive information on: tobacco cessation, preventing SIDS, benefits of breastfeeding, postpartum depression, and FASD	Prenatal Home Visit Plan. Prenatal Home Visit Topics. Family Interest Survey	16	Home Visitor completes at least three prenatal home visits with enrollee prior to admittance to the pre-maternal home. Home Visitor provides prenatal health care information following the Prenatal Home Visit Topics and Family Interest Survey.

Outcome Measures - Child Development Division

Component 1 – General Child Development Division - Parents as Teachers Program

Submitted by Kristin Ramstad, Parents as Teachers Director *FY 2013 CSBG 4/1/13 to 3/31/14*

CSBG National Goal # 6

Low-income people, especially those populations which are the most vulnerable, achieve their potential by promoting family and other supportive environments.

PAT Goal # 2

Strengthen families as the primary nurturers of their children.

RurAL CAP Strategic Plan

Direction 1 - Child Development – Line of Business: Parents as Teachers

Outcome Statement #1

PAT Parents will report improved parenting skills.

Performance Target #1

Out of 450 PAT parents, 280 will report improved parenting skills, including skills related to positive discipline and development. (6.3 – C.1)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for PAT parents .	Verification: Tool or document used to verify that milestone was reached.	Projected # of families expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 PAT parents enroll or re-enroll in the PAT Program.	PAT Enrollment Application	450	Conduct recruitment activities to identify and promptly enroll eligible children					
1.2 New PAT parents participate in initial home visits.	Personal Visit Record Form Individual Service Record	200	Initial home visits are completed					
1.3 New PAT parents complete baseline survey of their parenting knowledge and skills.	Parent Survey I	100	Present survey to parents, ask them to complete, and collect					
1.4 PAT parents complete at least 70% of scheduled home visits.	Personal Visit Record Form Individual Service Record Weekly Attendance	200	Family Visitor schedules home visits on a bi-monthly basis					
1.5 PAT parents complete end-of-the-year evaluation data.	Parent Evaluation	275	Family Visitor distributes evaluation forms during final home visits.					
1.6 PAT parents report improved parenting skills, including skills related to positive discipline and development.	Parent Survey I and II, Parent Evaluation and Interviews	280	Family Visitor presents survey/interview parent.

Community Services Block Grant FY 2013 Proposal

Community Development Division

NARRATIVE

SUMMARY OF COMPONENTS

I. AmeriCorps Programs Component -- Provides funds to match and support the RAVEN and BIRCH AmeriCorps Programs administered by RurAL CAP under the authority of the Serve Alaska Commission through State of Alaska, Department of Commerce, Community and Economic Development. These national service programs train and place thirty-five locally-recruited AmeriCorps Members into full-time positions focusing on community health and wellness, solid waste management, environmental education, youth development, substance abuse prevention and leadership development through partnerships with rural health clinics, schools, tribal and city councils and Head Start programs statewide.

II VISTA Program Component -- Provides funds to support the VISTA Member positions administered by RurAL CAP. Core funding for VISTA Member support comes from the federal Corporation for National and Community Service through the Alaska State VISTA Office. These programs use a community development approach to recruit, train and place VISTA Members into full-time positions focusing on energy conservation, energy efficiency, accessing renewable energy options and other community development priorities. This program supports up to 15 locally-recruited VISTA members and two VISTA Leaders annually who work through tribal and city council offices and other non-profit organizations.

III. Rural Providers' Conference Component -- Provides funds to plan, organize, implement and evaluate the annual Rural Providers' Conference (RPC), a five-day statewide alcohol and drug abuse prevention conference for 300 low-income rural Alaskans. The RPC serves as a cornerstone for Alaska's *Native Sobriety Movement*. The numerous linkages and partnerships created by the RPC among the providers of substance abuse prevention services strengthen support systems for low-income people and result in increased self-sufficiency and improved living conditions in rural communities.

IV. Community Development Component – Provides support for the coordination and implementation of the other Community Development Division activities - such as substance abuse prevention, tobacco prevention and control, youth development, solid waste management, energy efficiency education or the protection of indoor air quality in rural homes.

PROGRAM OUTCOME STATEMENT

The programs and components within the Community Development Division provide a range of services and activities which have a significant and measurable impact on the causes and conditions of poverty in Alaska, particularly in rural communities. The common thread linking these programs is their shared outcome statement:

To create measurable improvements in the conditions and behaviors and rural Alaskans which enhance their educational, social, physical, mental and spiritual quality of life.

This outcome represents the culmination of the following **CSBG goals**:

- 1) Low-income people become more self-sufficient;
- 2) The conditions of low-income people's lives are improved;
- 3) Low-income people own a stake in their community;
- 4) Partnerships among providers of services to low-income people are achieved;
- 5) Agencies increase their capacity to achieve results; and
- 6) Low-income people promote family and other supportive environments.

The outcome statements listed in the ROMA (Results Oriented Management and Accountability) model for each of the five program components of the Community Development Division are listed below:

I. AmeriCorps Programs Component

1. RAVEN and BIRCH AmeriCorps members will recruit community members to volunteer their time to make the community a better place.
2. All RAVEN and BIRCH AmeriCorps members will increase their income, their education, and their employment skills through AmeriCorps service.

II. VISTA Programs Component

1. All VISTA sponsoring organizations will increase their capacity to design, fund and administer their own programs addressing energy and other local priorities.
2. All VISTA members will increase their income, their education, and their employment skills through VISTA service.

III. Rural Providers' Conference Component

1. All RPC participants will strengthen their own sobriety as a result of their RPC participation.

IV. Community Development Component

1. Community members in AmeriCorps communities working to address tobacco will strengthen their commitment to a tobacco-free lifestyle.
2. Youth in AmeriCorps communities will report an increase in life skills and social competencies.

3. Solid waste service providers will increase their capacity to successfully obtain and administer solid waste management grant projects, improving environmental conditions in rural Alaskan communities.
4. Rural Alaskan residents will learn about Indoor Air Quality.
5. Rural Alaskans will learn about Energy Efficiency and Conservation
6. Energy Efficiency and Conservation Crew Members will increase their income and employment skills through Energy Wise

NEED FOR SERVICES

Program Customers

The target population for Community Development programs supported by CSBG includes a wide range of low-income people living in diverse conditions across Alaska. The vast majority, approximately 90%, of service recipients are Alaska Native people living in remote rural villages with no road access. These communities experience some of the worst social and economic conditions in the country as measured by rates of income, employment, education, alcohol and drug abuse, domestic violence, accidental death and suicide. Economically and socially, the program customers range from low-income energy assistance recipients to an upwardly moving, low-income person such as an AmeriCorps Member who uses the opportunity to gain the skills and education to obtain regular employment and a high degree of self-sufficiency and community involvement.

Program Products

The products of Community Development programs include **education, employment, job skills, training, youth development, independent living skills, improved housing, lower fuel bills, less substance abuse, improved environmental conditions and healthier families.**

Rural Alaskans suffering directly or indirectly from the effects of substance abuse in their families and communities are blocked from experiencing their full social and economic potential. Effective and culturally relevant alcohol and drug abuse prevention services remove this obstacle to self-sufficiency.

RurAL CAP's AmeriCorps and VISTA programs remove obstacles and solve problems which block the achievement of self-sufficiency for low-income people by providing community-based economic and social development, local employment, training and job skills, and educational opportunities for higher learning.

The Rural Providers' Conference is an annual opportunity for low-income people from rural Alaska to gain new skills, develop personally and professionally to improve the health and social conditions of their communities.

With a commitment to reporting the measurable results that CSBG-supported programs have in building self-sufficiency and improving the conditions and behaviors of low-income people, the

Community Development Division has applied an outcome management model to evaluate its effectiveness. This model incorporates customer performance targets, milestones and verification indicators to evaluate not just program objectives and activities, but rather to measure the outcomes or results of those activities on moving low-income people out of poverty and into increased involvement in their communities and self-sufficiency in their lives.

OUTCOME MANAGEMENT MODEL

The outcome management models for the Community Development Division are formatted horizontally on the following pages. These pages complete the narrative section of this CSBG work plan for the following components:

- I. AmeriCorps Programs Component**
- II. VISTA Program Component**
- III. Rural Providers' Conference Component**
- IV. Community Development Component**

Outcome Measures - Community Development Division

Component I - AmeriCorps Programs

Submitted by Catherine Clements, Community Development Division Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 3

Low-Income People Own a Stake in Their Community.

National Performance Indicator 3.1

Civic Investment

AmeriCorps Goal # 2

Community Strengthening

RurAL CAP Strategic Plan

Direction #2 – Community Development – Line of Business: Community Service

Outcome Statement #1

AmeriCorps and VISTA members will recruit community members to volunteer their time to make the community a better place.

Performance Target #1

Of the 5,000 people that attend events sponsored by RAVEN, BIRCH, Middle School, Students in Service and VISTA Energy AmeriCorps members, 2,500 will volunteer to help with AmeriCorps projects, and 100 will provide ongoing support to AmeriCorps sponsored events and projects. (3.1)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for community members in AmeriCorps Communities.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
Community members participate in at least one healthy activity sponsored by the AmeriCorps member.	Monthly Activity Log	5,000	Staff provide training to ACMs on hosting a community event.					
Community members volunteer to help AmeriCorps member with an activity.	Monthly Activity Log	2,500	Staff provide training to ACMs on volunteer recruitment.					
Community members partner with AmeriCorps members to host one event.	Monthly progress reports and activity logs.	500	Staff provide training and support to ACMs.					
Community members partner with AmeriCorps member to provide ongoing support to AmeriCorps events and projects.	Monthly progress reports and activity logs.	100	Staff coach and guide ACMs to build ongoing relationships and support in their community.

Component III - Rural Providers' Conference

Submitted by Joie Brown, Community Development Manager

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 3

Low-Income People Own a Stake in Their Community

National Performance Indicator 3.2

Community Empowerment through Maximum Feasible Participation

RurAL CAP Strategic Plan

Direction #2 – Community Development – Line of Business: Wellness

Outcome Statement #1

All RPC participants will strengthen their own sobriety as a result of their RPC participation.

Performance Target #1

Of the 300 RPC participants, 250 will strengthen their own commitment to sobriety at the conference, and of the 40 who respond to post-conference survey, 35 will report applying the knowledge learned at the RPC and/or engaging in community activities or groups which support their own well-being and that of their community. (3.2 - D)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for RPC participants.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
Potential participants receive information about the upcoming RPC	File copies of RPC announcement and promotional materials, Address lists for RPC mailings	4,000	Set conference site and dates, Arrange host and cosponsor, Coordinate planning process, Produce and distribute RPC materials					
Participants submit completed RPC registration form	Copies of completed registration forms in RPC files	300	Prepare and distribute registration forms, Process forms and participant list					
Participants arrange travel to and accommodations at RPC community	On-site registration	300	Compile and distribute travel and housing information, Reserve room blocks					
Participants actively participate in RPC workshops, general sessions and cultural events	Staff observation, Photos in conference summary, Evaluation forms	300	Arrange conference space, Coordinate on-site logistics, Arrange speakers/presenters					
Participants gain new knowledge by completing RPC training	Workshop registration forms, Workshop and conference evaluation forms	300	Coordinate conference, Select and make arrangements for relevant presenters/speakers					
Participants make or strengthen personal commitment to sobriety.	Attendance and participation at staking ceremony	250	Coordinate implementation of staking ceremony

Component IV – Community Development – Solid Waste Grant Program

Submitted by Catherine Clements, Community Development Division Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 2

The Conditions in Which Low Income People Live are Improved

National Performance Indicator #2.2

Community Quality of Life and Assets

RurAL CAP Strategic Plan

Direction #2 – Community Development; Line of Business – Community Improvement

Outcome Statement #3

Solid waste service providers will increase their capacity to successfully obtain and administer solid waste management grant projects, improving environmental conditions in rural Alaskan communities.

Performance Target #1

Of the 15 solid waste service providers who apply for a solid waste management grant through RurAL CAP, 7 will receive funding and successfully implement, manage and close their project grants, improving environmental conditions in rural Alaskan communities. (2.2 – C, E)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for solid waste service providers.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
Solid waste service providers learn about the grant opportunity and submit a completed application.	Completed solid waste program grants submitted to RurAL CAP.	15	Staff produce and distribute/publicize request for proposals to solid waste service providers, including tribal and city councils.					
Solid waste service providers are awarded grants designed to improve environmental conditions.	Signed grant agreements.	7	Staff screen and select applications and process grant agreements.					
Solid waste service provider grantees successfully administer and close-out projects as specified in their grant agreement which improves environmental conditions.	Quarterly and final narrative and financial reports.	7	Staff guide and support grantees in the management of their grant projects.

Outcome Measures - Community Development Division

Component IV – Community Development – Alaska Village Indoor Air Quality Project

Submitted by Ellen Kazary, Community Development Manager *FY 2013 CSBG 4/1/13 to 3/31/14*

CSBG National Goal # 2 The Conditions in Which Low Income People Live are Improved.

National Performance Indicator #2.1 Community Improvement and Revitalization

RurAL CAP Strategic Plan Direction #2 – Community Development; Line of Business – Wellness

Outcome Statement #4 Rural Alaskan residents will learn about Indoor Air Quality.

Performance Target #1 Out of 400 rural Alaskan residents that learn about AVIAQ, 350 will implement techniques to improve indoor air quality in their homes and 150 of those who complete the follow-up survey will report increased knowledge and ability to improve indoor air quality. (2.1 – C)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for rural Alaskan residents.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
Rural Alaskan residents read or view the program’s educational materials.	Home visit worksheets; AmeriCorps member reports.	400	Produces, promotes and distributes materials for partners and AC/VISTA members.					
Rural Alaskan residents are trained in IAQ and install IAQ equipment in their homes.	Home visit worksheets and surveys.	350	Train AC/VISTA members and others. AC/VISTA members conduct home visits					
Rural Alaskan residents show evidence of knowledge and understanding of IAQ issues and implement techniques in their homes to improve indoor air quality.	Follow-up surveys, AmeriCorps and VISTA member reports.	150	Work with AC/ VISTA members and residents who received home visits to conduct a follow-up survey and answer questions.

Submitted by Ellen Kazary, Community Development Manager

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 2

National Performance Indicator #2.1

RurAL CAP Strategic Plan

Outcome Statement #5

Performance Target #1

The conditions of low-income people's lives are improved

Community Improvement and Revitalization

Direction #2 – Community Development – Line of Business: Environment

Rural Alaskans will learn about Energy Efficiency and Conservation

1000 rural Alaskans attend a community education event on energy efficiency and conservation. Five hundred households receive an in-depth home visit. Four hundred households complete a follow-up survey and show behavior change and lowered energy bills as a result of the service.

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Energy Wise	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
Rural Alaskans receive energy efficiency education materials	Energy Fair attendance sheets; Home visit work record	1000	Staff advertise and host community energy fairs and complete attendance sheets. Staff record the number of residents receiving education during home visits.					
Rural Alaskans learn about how to make their homes more energy efficient during a home visit	Home visit work record	500	Staff complete home visit work records for each home receiving Energy Wise services.					
Rural Alaskans report continuing to practice energy conservation strategies and see a reduction in energy bills	Follow-up surveys	400	Staff complete follow-up surveys approximately 3 months after home visit. Staff evaluate survey results to show project impact.

Planning & Construction Division

NARRATIVE

COMPONENTS I – Housing & Planning Services

I. Housing Rehabilitation and Weatherization Services. RurAL CAP will continue to partner with local communities and the Alaska Housing Finance Corporation to provide skilled home assessment, weatherization, and handicapped access modifications, funded principally through a combination of federal (U.S. Department of Energy) and State of Alaska resources. Ultimate customers of the program will be individual low-income households. CSBG funding assists RurAL CAP in forming these strategic partnerships, which result in substantial leveraging of scarce resources for housing preservation and disabled access. RurAL CAP is the principal weatherization service provider in Anchorage, Juneau, and western and northwestern rural Alaska including the cities of Nome and Kotzebue.

II. Self-Help Housing. Decent, affordable housing continues to be in short supply in Alaska, especially in the state's rural communities. Costs are high, and incomes are low, further constricting housing opportunity. The self-help program offers low-income families the chance to lower the cost of new housing by participating in the construction of their homes. CSBG funds help to bridge the gap between funding provided by the U.S. Department of Agriculture-Rural Development (USDA) and the actual costs of staffing and oversight to operate the program effectively. The CSBG investment will result in the development of new, affordable homeownership units and leveraging of substantial non-CSBG resources. The program includes a homeownership counseling and preparation component, as well as job-skill training in residential construction tasks. Current projects are located in the Central Kenai Peninsula area; expansion into hub communities off the road system is being explored.

III. Capital Project Services. The Planning & Construction Division will continue to support the agency's child development and housing projects by providing in-house technical expertise in arctic construction technologies, cost estimating, finance, and project management.

IV. Housing Advocacy. The Planning & Construction Division will advocate on behalf of rural and Alaskan interests in the drafting and design of housing programs, policies, regulations, and legislation. The Division will also participate in the Alaska Affordable Housing Partnership.

V. Community Planning and Capacity Building. A general community plan is a prerequisite for rural Alaska villages and cities seeking funding through the Denali Commission, the Rasmuson Foundation, and most other public and private sources. Communities that lack the financial resources to hire a consultant to prepare a plan find that they are unable to compete for grants to support capital projects, infrastructure, and housing. The Interior region, in particular, has a very high proportion of such communities. In partnership with the Tanana Chiefs Council, which serves the Interior with a wide range of social and economic development services, RurAL CAP will assist selected Interior

villages with developing and implementing a baseline community plan, or appropriate project or economic development plans and strategies.

RurAL CAP will also participate in planning and facilitating training and technical assistance events designed to build capacity in smaller and rural communities. These events will help communities to learn how to put plans into action, take greater control over land and other resources, and develop competency in financial management and administration.

PROGRAM OUTCOME STATEMENT

The components of the Planning & Construction Division segment provide a range of activities and services which achieve the following national CSBG goals:

- #1 low-income people become more self-sufficient;
- #2 the conditions in which low-income people live are improved;
- #4 partnerships among supporters and providers of services to low-income people are achieved; and
- #5 agencies increase their capacity to achieve results.

NEED FOR SERVICES

Program Customers

Agency Staff: Among the customers of the Planning & Construction Division component are agency staff – people who administer and provide services for the poor, disadvantaged, and low income so that this population becomes more self-sufficient.

Poor & Low Income: Rural communities have an extensive need for new housing, repairs to existing housing, and development of housing options for special needs populations. Alaska consolidated Housing & Community Development Plan estimates that over 115,000 units are in need of repair, expanded living space, or replacement. RurAL CAP will prepare low-income families for homeownership with financial literacy counseling, and assist qualified families with the construction of their own homes through the USDA mutual self-help program. RurAL CAP's weatherization programs provide job training and employment and leverage funding from a variety of sources to achieve decent, safe, and energy-efficient housing for the state's lowest income residents.

Poor and Low Income persons are also served through programs that develop the capacity of rural communities to engage in meaningful self-determination through community planning, and development of small city and tribal governments and community-based organizations to deliver essential community services.

Program Products

The products of the Planning & Construction Division component include **developing programs to serve the needs of low-income people in rural communities to be more self-sufficient and which achieve results.**

- An implemented program which will directly provide affordable owner-occupied housing in rural communities by providing training and oversight to self-help homebuyers.
- Improving energy-efficiency of individual residences, reducing reliance on fossil fuels, and enabling low-income people to become more aware of energy conservation steps they can take to lower home heating and electricity costs.
- Training and coaching designed to increase the level of technical competency of villages to engage in community planning and economic development, and to manage rural utilities, housing, and the day-to-day business of tribal and civil governments.
- General community plans which enable rural communities to chart their future, garner funding support, and relate their values and goals to a broader world.

OUTCOME MANAGEMENT MODEL

- The outcome management models for the Planning & Construction Division are formatted horizontally on the following pages. These pages complete the narrative section of the Planning & Construction Division.

Outcome Measures – Planning & Construction Division

Weatherization & Rehabilitation Program

Submitted by Ralph Lee, Weatherization Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 1

Low Income People Become More Self-Sufficient

National Performance Indicator #1.1

Employment

Indicator Direct Measure#1.1a

The number and percentage of low-income participants in community action employment initiatives who get a job or become self-employed.

RurAL CAP Strategic Plan

Dimension 2 – Education and Training

Outcome Statement #1

All people hired locally as RurAL CAP construction crew staff will increase their knowledge and employable skills.

Performance Target #1

Of the 200 people hired locally as RurAL CAP construction staff, 120 will increase their knowledge and employable skills. (1.1 – A, B, C)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Wx local hires.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 – 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Potential local hires are selected for and complete interview.	Applications received.	225	Supervisor selects best qualified applicants, interviews for job opening.					
1.2 Local hires are selected and show up for work on first day, receive orientation, safety training.	PCRs and timesheets. Safety training and orientation checklists.	200	Supervisor hires crew members, explains policy and procedures, conducts safety training class, teaches installation measures.					
1.3 Local hire continues working through duration of the project or accepts another job because of increased work experience.	Payroll records; PCRs.	120	Supervisor encourages crewmember reliability, teaches weatherization techniques.					
1.4 Local hires increase job skills through work experience and on the job training; promoted to more responsible positions as experience increases.	Performance evaluation, PCRs.	40	Supervisor continues on-the-job training; recommends promotion because of increased skills acquired, reliability, etc.

Weatherization & Rehabilitation Program

Submitted by Ralph Lee, Weatherization Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 2

The conditions in which low-income people live are improved.

National Performance Indicator #2.1

Community Improvement and Revitalization

CSBG Indicator Direct Measure

2.1c. Safe and affordable housing units in the community are preserved or improved through construction, weatherization, or rehabilitation achieved by community action activity or advocacy.

RurAL CAP Strategic Plan

Dimension 4 – Decent and Affordable Housing

Outcome Statement #2

All homes assisted by the RurAL CAP Weatherization Program will realize improvements in safety, comfort, durability, and energy efficiency.

Performance Target #2

Of the 850 homes assisted by the RurAL CAP Weatherization Program annually, 500 homes will realize a significant reduction of air infiltration and 600 homes will realize a significant energy efficiency improvement.
(2.1 - C)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for homes .	Verification: Tool or document used to verify that milestone was reached.	Projected # of homes expected to participate. (# people)	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 – 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
2.1 Homes tested and assessed; work plan developed. Materials installed, Wx crews/contractors work on the home.	Work plan on file; AkWarm recommendations. Final inspection/closeout	850	Wx staff conduct home assessment, diagnostic tests, etc.					
2.2 Air infiltration reduced to minimum ventilation level.	Blower Door test results.	500	Wx staff conduct after diagnostic tests, compare with before test.					
2.3 Home energy rating improves minimum of one star.	AkWarm results.	600	Wx crews complete home improvements; staff compare energy rating.					
2.4 Home energy rating improves minimum of two stars.	AkWarm results.	400	Wx crews complete home improvements; staff compare energy rating.

Weatherization & Rehabilitation Program

Submitted by Ralph Lee, Weatherization Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal #6

Low income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive systems.

National Performance Indicator #6.1 Independent Living

CSBG Indicator Direct Measure #6a/b The number of vulnerable individuals receiving services from community action that maintain an independent living situation as a result of those services: Senior citizens and individuals with disabilities.

RurAL CAP Strategic Plan

Dimension 4 – Decent and Affordable Housing

Outcome Statement #3

All homes with elderly residents assisted by the RurAL CAP Weatherization Program will realize measurable reduction in energy burden or disability improvements to enable them to continue living in their homes.

Performance Target #3

Of 15 elderly people assisted by the RurAL CAP Weatherization Program annually, six (6) will be disabled and will continue to live independently because of accessibility improvements. (6.1.A. 6.1.B)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Wx Elder Residents.	Verification: Tool or document used to verify that milestone was reached.	Projected # of homes expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 – 6/30) Quarter 1	(7/1 – 9/30) Quarter 2	(10/1 – 12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
3.1 An elder (55 years or more) lives in the house, receives priority service.	Client files, Wx manager.	200	Wx staff prioritize families to receive program.					
3.2 Disabled elderly resident receives improvements to achieve greater mobility and accessibility.	Completion / sign-off by supervisor / occupant.	6	Materials installed by crew, project supervisor verifies work complete.

Self-Help Housing Program

Submitted by Mi'shell French, Homeownership Coordinator

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG Goal #3

CSBG Goal #2

Performance Indicator 3.2

Performance Indicator 2.1

RurAL CAP Strategic Plan

Low Income People Own a Stake in Their Community

Conditions in which Low Income People Live are Improved

Community Empowerment through Maximum Feasible Participation

Community Improvement and Revitalization

Dimension #4 – Decent and Affordable Housing

Outcome Statement #1

Performance Target #1

At least 9 new safe and affordable housing units will be created.

Out of 30 heads of households who express initial interest in becoming self-help participants, at least 15 will qualify for USDA self-help loans, and 9 will complete their sweat equity commitment and become self-help homeowners which will support their own well-being and that of the community and improve the condition in which they live. (3.1 – C; 2.1 – C)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Low-Income Heads of Households .	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Low income heads of households learn about the self-help program.	Newspaper circulation, flyers provided at schools and community institutions.	250	Homeownership coordinator develops marketing plan and distributes promotional material.					
1.2 Low income heads of households complete homeownership preparation ready to apply for USDA loan.	Attendance records, evaluation of credit readiness.	30	Homeownership coordinator provides counseling and evaluates readiness.					
1.3 Low income heads of households make application to participate in self-help program and obtain USDA approval.	Applications processed, USDA commitment letters.	15	Homeownership coordinator takes applications, receives results from USDA.

Planning Program

Submitted by Charlene Stern, Rural Planning Coordinator

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal #2

National Performance Indicator 2.2

RurAL CAP Strategic Plan

Outcome Statement #1

Performance Target #1

The conditions in which low-income people live are improved.

The quality of life and assets in low-income neighborhoods are improved by community action initiatives or advocacy.

Dimension 6 – Capacity Building

All communities assisted by RurAL CAP's Planning Program will increase their understanding of planning as a viable tool to improve their quality of life.

Out of 3 rural communities assisted by the RurAL CAP Planning Program annually, seventy-five (75) residents will engage in an asset-based planning process.

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for rural community residents .	Verification: Tool or document used to verify that milestone was reached	Projected # of people expected to participate	Product Steps: Who does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 Rural low income residents will learn about the planning program.	Public meeting notices, attendance sign-in, photographs, and monthly/quarterly reports.	75	Planning staff deliver presentation(s) at community meetings.					
1.2 Rural low income residents will increase their knowledge and understanding of planning.	Attendance sign-in, audience polls, participant evaluations, informal interviews, and monthly/quarterly reports.	75	Planning staff conduct pre and post audience polls, meeting evaluations, and informal interviews with key participants.					
1.3 Rural low income residents will take steps to improve their quality of life by mapping local assets and articulating a collective vision.	Documented vision and assets.	75	Planning staff will provide technical support to guide residents through an asset-based planning process.

Public Policy and Advocacy

NARRATIVE

RurAL CAP's constituents are low-income and working poor who desire to influence public policies in areas that most directly affect their lives. RurAL CAP recognizes the benefit of community members participating in economic, educational, health, cultural, social, housing and environmental efforts which allow them to determine workable solutions. RurAL CAP works strategically to increase the capacity of people to impact public policy and to inform decision makers to result in practical outcomes.

These efforts are best accomplished by developing relationships between agency staff, community members, low-income people and decision makers and by creating awareness for the public at large and increasing skills and understandings of low-income people which increase their ability to change conditions in their communities and beyond.

RurAL CAP's Public Policy and Advocacy component is designed to achieve these outcomes. Its parameters fit these National Performance Indicator Goals:

Goal 2: The Conditions in Which Low-Income People Live are Improved:

National Performance Indicator 2.3 – Community Engagement: The number of community members working with Community Action to improve conditions in the community.

Goal 3: Low-income People own a Stake in their Community:

National Performance Indicator 3.2 – Community Empowerment through Maximum Feasible Participation: The number of low-income people mobilized as a direct result of Community Action initiative to engage in activities that support and promote their own well-being and that of their community.

Goal 4: Partnerships among Supporters and Providers of Services to Low-Income People are Achieved:

National Performance Indicator 4.1 – Expanding Opportunities Through Community-Wide Partnerships: The number of organizations, both public and private, that Community Action actively works with to expand resources and opportunities in order to achieve family and community outcomes.

Goal 5: Agencies Increase their Capacity to Achieve Results:

National Performance Indicator 5.1 – Agency Development: The number of human capital resources available to Community Action that increase agency capacity to achieve family and community outcomes.

RurAL CAP's mission is:

“To empower low-income Alaskans through advocacy, education, affordable housing and direct services that respect our unique values and cultures.” The core values embodied in the mission are: RurAL CAP recognizes the unique values and way of life of rural Alaskans. It plans its activities with input from and respect for the people it serves. It follows the belief that rural Alaskan communities have the right to maintain their cultural heritage and close relationship to the land while protecting their economic and human potential.

The Public Policy and Advocacy component will carry out the advocacy work in which the agency has been engaged for the past forty+ years, and will focus more intently on developing a cohesive approach to citizen participation in public policy. This will be accomplished by:

- Positive first impressions of CAP agency
- Communications, including print materials, reports, electronic, or presentations that accurately convey the agency's work and results
- Increasing the capacity of the agency and ultimately its constituencies by providing opportunities for community members, agency Board members and staff to participate in public hearings, meetings with policy makers, technical assistance and other conferences that enhance the levels of understanding for developing critical relationships and improved decision-making processes
- Increasing public awareness of issues and challenges facing low income people through publications, website announcements, presentations.

SUMMARY OF COMPONENTS

Component 1 – Public Policy and Advocacy

- I. Rural Issues/Subsistence Advocacy.** For this component, the RurAL CAP Board of Directors will take a lead role in advocating on behalf of rural Alaska and coordinating the efforts of RurAL CAP with other organizations to strengthen the capacity of local organizations to provide information to decision-makers and services to their communities. The Subsistence component advocates for the maintenance of subsistence rights as outlined in federal and state laws, and specifically Title VIII of ANILCA. The subsistence advocacy rests in monitoring and where feasible, participating in the decisions that impact subsistence, including critical appointments to Boards and Commissions, regulations, meetings and conferences. Rural CAP believes that community involvement is about developing relationships, skills and understanding among people that increases their ability to change conditions and improve the quality of their lives.

- II. Partnerships and Agency Capacity.** The ability of the agency to sustain and grow services that improve the lives of low-income people lies in its ability to develop, diversify, and maintain partnerships. This requires a focused effort at tracking, nurturing, and building personal relationships with a variety of people in organizations who support mutual interests and outcomes.

Equally important is staff development which assures the delivery of innovative, quality services that constantly seek new and improved ways of meeting the goals and objectives of the organization to improve low-income conditions.

Component 2 – Education and Information

Education and Information. RurAL CAP develops and produces a number of publications and information updates that increase the public's awareness of the issues facing low income people including Fact Sheets, Press Releases, Media Advisories, Facility Tours, TV, Radio and Print Media Interviews, Speaking Engagements, Service of Boards/Councils/Committees, Website and Facebook Updates, Submittals of Success Stories, Agency Holiday Card to Partners, the Rural Providers Conference Publications, Annual Reports, Event Photography, quarterly *Village Voices* newsletter. All of these provide accurate information to rural constituents while educating decision-makers, the public and funders about issues which impact rural and low-income people. RurAL CAP staff is also often called upon to provide information to various groups, conferences, lawmakers, and others about our successful experiences in working with rural and other constituents that have barriers to services.

PROGRAM OUTCOME STATEMENT

The Public Policy and Advocacy component develops the capacity of low-income people and communities to increase local self-determination and self-sufficiency through relationship building, and staff and community capacity building.

This outcome supports the achievement of the above referenced **CSBG goals** related to Community Empowerment, Partnerships, and Agency Capacity to ensure low-income peoples' goals of self-sufficiency are achieved.

NEED FOR SERVICES

Customers

The people RurAL CAP serves are low-income Alaskans, many of whom are rural Alaska Natives. Many still speak their Native language and complement their household budgets through hunting, fishing and gathering as their ancestors have for thousands of years. Their cultures and traditions are based on values which have enabled the indigenous peoples of Alaska to thrive as separate and distinct tribal cultures.

It is the agency's philosophy that tribal cultures, governments, traditions, and people need to be able to survive in the 21st century. Tribal members must be provided the opportunities to have a say in decisions that are made about their laws, economies, and customs. While these are the customers of the Public Policy and Advocacy component, the outcomes that RurAL CAP desires cannot be achieved without the many partners and providers who make these results possible.

Products

The products of Public Policy and Advocacy are: community empowerment; leadership development; increased capacity of communities and leaders to impact public policy; and increased self-sufficiency. This is done through:

- Increased awareness and willingness of new partners and current ones to work towards mutual goals that help families and communities achieve their goals.
- Providing opportunities for representatives of subsistence users and low-income Alaskans to participate in and address public policy issues that enhance the self-determination and self-sufficiency of their communities. A good example of this is the cooperative management arrangements for subsistence halibut uses.
- The production and dissemination of a variety of advocacy publications and involvement in media that share information with policy makers and the public in general about the issues impacting rural and low-income people.
- Continuous staff development and growth to improve knowledge and skills that help achieve family and community outcomes.

OUTCOME MANAGEMENT MODEL

CSBG funded programs support self-sufficiency and improving the conditions and behaviors of low-income people; the Public Policy and Advocacy component will apply an outcome management model to evaluate its effectiveness. This model incorporates customer performance targets, milestones and verification indicators to evaluate not just program objectives and activities, but rather to measure the outcomes or results of those activities on moving low-income people out of poverty and into increased involvement in their communities and self-sufficiency in their lives.

The outcome management models for the Public Policy and Advocacy component are formatted horizontally on the following pages. These pages complete the narrative section of this CSBG application for this component.

Outcome Measures – Public Policy & Advocacy

Component 1 – Public Policy and Advocacy

Submitted by Sarah Scanlan, Deputy Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal #3

National Performance Indicator #3.2

RurAL CAP Strategic Plan

Outcome Statement #1

Performance Target #1

Low-income people own a stake in their community

Community Empowerment through Maximum Feasible Participation

Dimensions 1 and 6: Advocacy and Communication and Capacity Building

The Subsistence and Tribal Issues Committee members, with staff, will strengthen its working relationship with policy making organizations to result in greater opportunities for subsistence uses of fish and game, a critical component for self sufficiency and family and community well-being,

Of the 20 public and private subsistence-related organizations identified, the S&TI and RurAL CAP staff will actively work with 10 to expand resources and opportunities in order to achieve family and community outcomes by creating awareness and knowledge of issues affecting low-income Alaskans and engage in at least ten advocacy activities.

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Subsistence & Tribal Issues (S&TI) Committee members.	Verification: Tool or document used to verify that milestone was reached.	Projected # of orgs expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1 - 12/31) Quarter 3	(1/1 - 3/31) Quarter 4	Total
1.1 S&TI committee members S&TI committee members meet to discuss strategies and develop a plan for advocacy and identify organizations that impact traditional uses of fish and game resources.	TR/TA forms; Board of Directors packets; S&TI committee agendas; Board of Directors recaps of motions.	20	Staff set up meeting site in conjunction with quarterly Board of Directors meetings.					
1.2 Staff follows up with contacts to the organizations to meet and determine the issues the S&TI can impact.	Phone logs, meeting notes, e-mails	18	Staff prepares progress reports for the Committee and Board.					
1.3 Staff identifies advocacy opportunities.	Monitor regulations processes, respond to requests for advocacy support	10	Schedules S&TI presence at public hearings, prepares letters, other support documents					
1.4 S&TI committee members engage in advocacy and decision making activities to expand opportunities for customers through supportive partnerships.	TR/TA forms; S&TI committee agendas; Board of Directors recaps of motions; provides staff direction.	10	Staff prepares and presents draft resolutions, motions, and progress reports on outcomes of S&TI activities.

Community Services Block Grant FY 2013 Proposal

Supportive Housing Division

NARRATIVE

SUMMARY OF COMPONENTS

Component 1 – Supportive Housing Division

I. Supportive Housing Division Component -- CSBG provides matching funding for the nationally recognized, innovative Homeward Bound program which addresses the needs of the chronic, public inebriate, homeless population in Anchorage. With core funding from HUD (US Department of Housing and Urban Development), AHFC (Alaska Housing Finance Corporation) and CIHA (Cook Inlet Housing Authority), the Homeward Bound program is a partnership between RurAL CAP, the Municipality of Anchorage, Cook Inlet Tribal Council, and the Salvation Army Clitheroe Center. The program model includes outreach, detox, transitional housing in a 25-bed facility, and intensive case management designed to reintegrate the program residents into independent living. Additional components of Homeward Bound include: Community Bound, a housing and employment program targeting graduates of Homeward Bound; the Adult Homeless Outreach Program, an outreach program providing social service linkages, entry to Homeward Bound and emergency winter supplies to Anchorage's adult homeless population; ReBound, a social enterprise providing employment for chronically unemployed homeless persons; and the Homeward Bound Speaker's Bureau, an educational and advocacy forum for homeless persons to dialogue with the Alaskan community.

Component 2 – Affordable Housing

I. Affordable Housing - A persistent, continuing need exists for housing affordable to low-income persons. In particular, those who come to Anchorage from rural communities and formerly homeless persons and families have few housing options open to them. RurAL CAP will expand its inventory of affordable housing through acquisition and/or rehabilitation of additional rental housing units in Anchorage. In addition, RurAL CAP will develop new special needs housing, expanding the agency's capacity to provide much-needed permanent supportive housing for households "graduating" from transitional programs, such as Homeward Bound. RurAL CAP properties comply with prevailing HUD housing quality standards and, whenever possible, offer affordable rents without the support of additional public subsidies.

PROGRAM OUTCOME STATEMENT

The components within the Supportive Housing Division provide a range of services and activities which have a significant and measurable impact on the causes and conditions of poverty in Anchorage, particularly with traditionally difficult-to-serve populations. The common thread linking these programs is their shared outcome statement:

To create measurable improvements in the conditions and behaviors of low-income Alaskans which enhance their educational, social, physical, mental and spiritual quality of life.

This outcome represents the culmination of the following CSBG goals:

- 1) Low income people become more self sufficient.
- 2) The conditions in which low-income people live are improved.
- 3) Low in-come people own a stake in their community.
- 4) Partnerships and agreements will be made with organizations, both public and private to expand resources and opportunities for vulnerable populations.
- 6) Low-income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive systems.

The outcome statements listed in the ROMA (Results Oriented Management and Accountability) model for the two components of the Supportive Housing Division are listed below:

I. Supportive Housing Division Component

1. All program participants with chronic alcoholism and homelessness will achieve self empowerment, measurable by improvements in independent living situations.
2. Program participants will achieve an increase in financial assets and financial skills as the result of budgeting assistance and will be measured by several components.
3. All program participants will achieve self empowerment, measurable by improvements in behaviors and conditions.
4. Participants for whom barriers or continuous employment are reduced or eliminated as a result of services received at Community Bound as measured by increase in income.
5. Program participants will achieve financial skills as the result of budgeting assistance.
6. All program participants with chronic homelessness and alcoholism shall be linked through expanded partnerships with organizations in order to improve their opportunities for success.
7. Persons engaged by AHOP personnel will receive emergency assistance.
8. All persons participating in a Speaker's Bureau presentation shall be engaged in advocacy through non-governance community activity that support and promote their well being and self image.

II. Affordable Housing Component

1. All low-income, disadvantaged families will find safe, decent, well-maintained and affordable housing enhancing their opportunity for employment stability.
2. All affordable housing properties will be well maintained or improved to increase the preservation of opportunities and community resources to low income people.

NEED FOR SERVICES

Program Customers

The target population for Supportive Housing Division programs is supported by CSBG includes a range of persons on the edge and mired in poverty. From the homeless, chronic alcoholic at Homeward Bound to the low-income people renting the affordable housing units, this Division serves people with the greatest need in Anchorage.

For Homeward Bound, the vast majority, approximately 88%, of residents are Alaska Native. The average Homeward Bound resident has spent 3-27 years homeless, an average of 29 years drinking to the point of disability, and is 45 years old with an annual income of less than \$5,000. These individuals have been spent an average of 116 nights in the past twelve months in the local Intoxication Sleep-off Center. Our Affordable Housing tenants have diverse backgrounds; Laoatian, Hmong, Caucasian, Alaska Native, African-American, and Latino. The opportunity afforded them by receiving reliable affordable and safe housing allows them to concentrate on employment, family and integration into the greater Anchorage community.

Program Products

The products of the Supportive Housing Division programs include **education, employment, job skills, training, independent living skills, improved housing, decreased substance abuse, and healthier families.**

Applying lofty intentions to the daunting task of changing conditions and behaviors of the chronic public inebriate homeless population in Anchorage, the ultimate goal of the Homeward Bound program is to guide its residents along a progressive path leading to independent living, stable housing and self-sufficiency. Homeward Bound applies an innovative approach to a population for whom nothing else has worked. The majority of program residents are Alaska Natives originally from rural communities who are now late-stage alcoholics, many of whom have already been through numerous treatment programs and have been living on the streets for more than a decade.

With a renewed commitment to reporting the measurable results that CSBG-supported programs have in building self-sufficiency and improving the conditions and behaviors of low-income people, the Supportive Housing Division has applied an outcome management model to evaluate its effectiveness. This model incorporates customer performance targets, milestones and verification indicators to evaluate not just program objectives and activities, but rather to

measure the outcomes or results of activities that move low-income people out of poverty and into increased involvement in their communities and self-sufficiency in their lives.

OUTCOME MANAGEMENT MODEL

The outcome management models for the Supportive Housing Division are formatted horizontally on the following pages. These pages complete the narrative section of this CSBG work plan for the following components:

Component 1 – Supportive Housing Division

Component 2 – Affordable Housing

Outcome Measures – Supportive Housing Division

Component I - Homeward Bound Program

Submitted by Melinda Freemon, Supportive Housing Division Director

FY 2013 CSBG 4/1/13 to 3/31/14

CSBG National Goal # 6

Low-income people, especially vulnerable populations, achieve their potential by strengthening family and other supportive systems

National Performance Indicator #6.1

Independent living

RurAL CAP Strategic Plan

Dimension #4 – Decent and Affordable Housing

Outcome Statement #1-2

All program participants with chronic alcoholism and homelessness will achieve self empowerment, measurable by improvements in independent living situations.

Performance Target #1

Out of 40 new and returning individuals with disabilities, 5 will move into Phase 3. (6.1 - B)

Performance Target #2

Out of 40 new and returning individuals with disabilities, 10 will maintain an independent living situation as a result of services received at Homeward Bound. (6.1 – B)

Milestone: Small, measurable changes in customer conditions or behaviors to accomplish the performance target for Homeward Bound residents.	Verification: Tool or document used to verify that milestone was reached.	Projected # of people expected to participate.	Product Steps: What staff member does what to make milestone happen.	(4/1 - 6/30) Quarter 1	(7/1 - 9/30) Quarter 2	(10/1-12/31) Quarter 3	(1/1 – 3/31) Quarter 4	Total
1.1 Homeward Bound resident completes Intake and Assessment	HUD data, DB Assessment	40	Case Management Specialist conducts interview.					
1.2 Homeward Bound resident makes first conscious decision about alcohol intake	Alcohol Management Plan OR Peer Review	40	Case Management Specialist guides and supports					
1.3 Homeward Bound resident completes 7-day in-house phase at facility	bed check records; progress note	30 (HUD 66%)	Case Management Specialist guides and supports					
1.4 Homeward Bound resident develops Independent Living Plan	Signed ILP in file; DP ILP	30	Case Management Specialist guides and supports					
1.5 Homeward Bound resident follows Alcohol Management Plan for 1 month	Bed check records and progress note	25	Case Management Specialist guides and supports
