Introduction

The original manuscript collection is located at the Suzzallo Library, University of Washington at Seattle (Manuscript A II 10/2-4). A selective group of papers was photocopied for the Alaska Historical Library, but a guide to the full collection is with the copies. Includes Ballaine's business activities in Alaska with letters from prominent people. Much on the townsite of Seward, Alaska Central Railroad construction and forest industry development in the Susitna River and Yentna River area.
