SCOPE AND CONTENTS NOTE

Photographer/collector is unknown and the donor could not provide any previous provenance. Many of the photographs are printed on postcard stock and some of the photos have been inscribed on the back. These photos are primarily of young adult friends who lived and worked in Juneau, Treadwell, or Thane, Alaska. Some of the photos show a large group outing to Taku Village near Point Salisbury near Juneau, Alaska. It is probable that the photos belonged to a college age person that came to work in Juneau or at the Treadwell mine during the summers. Some of the women in the photos are Juneau, Treadwell, or Thane school teachers. Photos are dated 1912-1915.
